Telecommunications

OFTEL

NOTICE UNDER SECTION 12(6A) OF THE TELECOMMUNICATIONS ACT 1984

MODIFICATION TO ALL PUBLIC TELECOMMUNICATIONS OPERATOR LICENCES

1. During the period beginning on 22 June 1984 and ending on 18 January 2002, the Secretary of State granted licences under section 7 of the Telecommunications Act 1984 (the “Act”) to particular persons which the Secretary of State has designated by order under section 9 of the Act as having public telecommunications systems, collectively referred to hereinafter as the “PTO licences”.

2. On 18 March 2002, the Director General of Telecommunications (the “Director”), in exercise of the powers conferred on him by section 12 of the Act, made the following modification to Condition 17 in Schedule 1 of the PTO licences:

The words ‘in writing’ in Condition 17.2 were deleted.

3. In accordance with section 12(6A) of the Act the Director hereby gives notice that his reason for making the modification was to enable the development and launch of new products and services using automatic calling equipment. The retention of the requirement to obtain consent ensures that consumers remain adequately protected. However, the removal of the requirement for this consent to be obtained in writing allows more products and services to be provided and consumers will be able to benefit from automated services should they wish to. The modification is deregulatory and in line with Of tel’s long-term strategy of ensuring that regulation is kept to the minimum necessary to obtain the appropriate outcome. (851)

OFTEL

NOTICE UNDER SECTION 12(2) OF THE TELECOMMUNICATIONS ACT 1984

PROPOSED MODIFICATION TO THE LICENCES OF EARTHADVICE LTD, EUROCALL LTD, FIBRENET UK LTD AND AT&T GLOBAL NETWORK SERVICES (UK) B.V.

1. The Director General of Telecommunications (the “Director”) in accordance with section 12(2) of the Telecommunications Act 1984 as amended by the Electronic Communications Act 2000 (the “Act”) hereby gives notice that he proposes to make a modification to the licence granted to Earthadvice Ltd on 29 January 2002, the licence granted to Eurocall Ltd on 13 March 2002, the licence granted to Fibrenet UK Ltd on 13 March 2002 and the licence granted to AT&T Global Network Services (UK) B.V. on 15 March 2002, by the Secretary of State for Trade and Industry under section 7 of the Act, collectively referred to hereinafter as the “licences”.

2. Both the effect of and the reason for the proposed modification are set out in the Schedule below. They have been detailed in full in the Consultation Document of June 2001 entitled ‘Use of automatic calling equipment review’. The full text of the proposed modification is set out in Annex B to Of tel’s Statement of January 2002. Both documents are available through the Of tel website at www.of tel.gov.uk.

3. The same modification was made on 18 March 2002 to all licences granted during the period beginning on 22 June 1984 and ending on 18 January 2002 under section 7 of the Act to particular persons which the Secretary of State has designated by order under section 9 of the Act as having public telecommunications systems. The notice for this modification was published on 18 January 2002 in accordance with section 12(2) of the Act. The proposed modification will bring the licences into line with those licences already modified.

4. Section 12A(7) of the Act provides that a modification is deregulatory if:

- the effect of the conditions to be modified is to impose a burden affecting the holder of the licence in which those conditions are included;
- the modification would remove or reduce the burden without removing any necessary protection; and
- the modification is such that no person holding a licence granted under section 7 of the Act to a particular person would be unduly disadvantaged by the modification in competing with the holder of the licence in which those conditions are included.
