## INLAND POST.

### (Page 10.) BOOK PACKETS.

In the definition of a book packet, *strike out* section (b) and *substitute* :—

“(b) Sketches, drawings, paintings, photographic prints, and engravings on paper or on some substance ordinarily used for the purpose, provided it is not a brittle or exceptionally fragile substance.”

### EXPRESS DELIVERY SERVICES.

#### (Page 31.) Service I.—Special Messenger all the way.

*Strike out* :—“In London, Correspondence for Express Delivery is accepted at all the more important Post Offices (*see pages 612-633*).”

*Substitute* :—“In London, this Service is suspended for the present.”

#### (Page 32.) Hours of Posting.

*The following should be substituted for the information appearing under the above heading* :—

On week-days, when the offices are open for telegraph delivery, generally from 9 a.m. to 7 p.m. in the Provinces. For provincial offices open earlier and later, *see pages 124-192* of this Supplement.

There is no Express Delivery by Messenger all the way (Service I.) on Sunday, Good Friday, or Christmas Day, in England and Ireland, or on Sunday in Scotland.

### SERVICE II.

#### (Page 36.) Express Delivery after Transmission by Ordinary Post.

*The following replaces the first paragraph under the above heading* :—

#### Delivery.

On **Week Days** Express Correspondence will be delivered by **Messenger** during the hours in which the Office of Delivery is open for Telegraph business, but not, as a rule, between 11 p.m. and 7 a.m. Unless specially indicated on pages 124-192 of this Supplement Provincial Post Offices are open for Telegraph business from 9 a.m. to 7 p.m. At most small towns and villages, therefore, it is generally impracticable to deliver an Express Packet received by the Night Mail otherwise than by the ordinary postman engaged in the first delivery of letters. The Express fee prepaid on a packet so delivered will be

refunded to the sender if written application be made to the Secretary, General Post Office, enclosing the cover of the packet, and stating the name and address of the sender.

**(Page 42.) COMBINATION OF LATE-FEE SERVICE  
AND EXPRESS SERVICE.**

In London this Service is suspended for the present, and the words referring to the General Post Office or other Post Office in London, in the first paragraph under the above heading, should be struck out.

Most Telegraph Offices are closed between 7 p.m. and 9 a.m. (*see* pp. 11 and 12). ## **FOREIGN AND COLONIAL MONEY ORDERS.**

(Page 121-124.)

The Table of Foreign and Colonial Money Order and Postal Order Services at pp. 836-847 of the April Guide has been amended, and is printed in this Supplement. References in the text of the April Guide to that Table should be read in connection with the Table in this Supplement.

## **FOREIGN AND COLONIAL TELEGRAPH MONEY ORDERS.**

(Pages 124 and 125.)

The following information should be substituted for that appearing under the heading "**Foreign Telegraph Money Orders.**"

Telegraph Money Orders may be sent to and are received from certain British Colonies, Dependencies, etc., and Foreign countries, which are indicated by the letter **T** in column 4 of the list of Countries on pages 112-119 of this Supplement. In certain of these countries, which are noted in the list (column 5), the Telegraph Money Order Service is restricted to particular places, a list of which may be seen at any Telegraph Money Order Office.

### **Deferred Telegrams for British Dominions and Dependencies.**

At the option of the sender, the Telegram of Advice for British Dominions and Dependencies may be sent at **ordinary** or **deferred** rates. In the latter case the Telegrams will be subject, if necessary, to deferment during transmission for a period not exceeding **24** hours in favour of full-rate telegrams. In cases of special urgency, therefore, the Telegrams of Advice should be sent at the full rates.

### Special features of Service with Canada, Newfoundland, and the United States.

Under an arrangement with the Western Union Telegraph Company, Telegraph Money Orders may now be sent from any Telegraph Money Order Office in the United Kingdom to any place in Canada or the United States, and to certain places in Newfoundland. Payment is made not by the Post Office but by the local Agents of the Western Union Telegraph Company, and, when the Order is addressed to a Post Office to be called for, the Payee should apply, not for a Telegraph Money Order, but for a letter (i.e. a notice from the agent of the Company telling him where the money is to be obtained).

#### The charges for Telegraph Money Orders payable abroad are as follows :—

(1) **Money order poundage at the ordinary rate for Money Orders payable abroad.** See page 121 of the April issue of the Post Office Guide.

(2) **A charge for the Telegram of Advice at the ordinary, or, in certain cases, the *deferred* rate for telegrams addressed to the place of destination.**

(Note.—The ordinary rate must be charged for the Telegrams of Advice of all Orders payable in Foreign Countries, but Telegraph Money Orders payable in any British Colony, Dependency, etc., may be sent at the deferred or ordinary rates at the option of the remitter.)

(3) **A Supplementary Fee as follows :—**

**For Foreign Countries—6d.**

**For British Colonies and Dependencies (except Canada and Newfoundland)—1s.**

**For Canada and Newfoundland—6d. at ordinary rate, 1s. at deferred rate.**

The Remitter is allowed, on paying for the additional words required, to add to the official Telegram of Advice **any short communication** which he may wish to send to the Payee.

The Remitter may also obtain an Advice of Payment, as in the case of ordinary Orders payable abroad, on paying a fee of 2½d. If he wishes the request for an Advice of Payment to be communicated to the Office of Payment in the Telegram of Advice he must pay the cost of including the words "Advise Payment."

The general regulations relating to Money Orders payable abroad and to Inland Telegraph Orders apply, so far as they are applicable, to Telegraph Money Orders exchanged with Foreign Countries, British Colonies, etc.

## HOURS OF BUSINESS. WEEK DAYS.

*(To be substituted for particulars on pages 143 and 144 of April Guide.)*

### In the Provinces.

The larger Provincial Post Offices in Town and Country are, where practicable, open for every kind of business **from 8 a.m. to 8 p.m.**, except on Public Holidays; but in present conditions many offices are not open before 9 a.m. nor after 7 p.m., and many are closed for an hour or more in the middle of the day. Further restrictions in the hours of public business are in force at certain Sub-Offices where Telegraph business is not transacted.

The hours during which an office is open and the class of counter business transacted can be ascertained by reference to the local window notice.

The **ordinary hours** during which **Telegraph Offices** are open on week-days in **England and Scotland** are from **9 a.m. to 7 p.m.**, and in **Ireland** from **9 a.m. to 7 p.m. Irish time** (*i.e.* **9.25 a.m. to 7.25 p.m. English time**). Exceptional hours of daily attendance are generally shown on pages 124-192 of this Supplement; but where a Delivery Office is closed for any part of the normal attendance (9 a.m. to 7 p.m.), and delivery is maintained meanwhile from a neighbouring office, the exceptional hour of opening or closing is not shown. The hours of attendance, however, always appear in the local window notice. English time is indicated throughout the List.

Most Town and Country Sub-Offices are closed early one day in the week, generally on the local half-holiday. Telegrams are then delivered from a neighbouring Office at the same portorage (if any) as if delivered from the usual Delivery Office.

Telegrams handed in just before the closing time of the office of delivery cannot always reach their destination until the next morning.

### In London.

At the **General Post Office, King Edward Street**, every description of Postal and Telegraph business is transacted between the hours of 6.45 a.m. and 10 p.m. For Telegraph business and the sale of stamps the Office at the corner of Newgate Street is open always.

The **Principal Offices** in the several Districts are open as under:—

South-Western District Office	... }	7 a.m. to 10 p.m.
Western Central District Office	... }	7 a.m. to 10 p.m.
Western District Office	... ..	8 a.m. to 10 p.m.
Northern District Office	... ..	8 a.m. to 9 p.m.
Eastern District Office	... ..	
North-Western District Office	... ..	
Paddington District Office	... ..	
South-Eastern District Office	... ..	8 a.m. to 8 p.m.
Battersea.	... ..	
Norwood.	... ..	

At these Offices every kind of business is done during these hours except Money Order, Savings Bank, and Licence business, which is done only between 8 a.m. and 8 p.m.

The hours of business at all Post Offices in the London Postal Area are from 8 a.m. to 8 p.m., unless otherwise shown at pages 612-638 of the April Guide, as amended on pages 15 and 16 of this Supplement.

Postal Orders are issued and paid, and Stamps are sold, during the time the office is open. The West Strand Telegraph Office (447, Strand), is open always for Telegraph and Telephone business and the sale of stamps.

The hours of business at Railway Station Telegraph Offices are shown at pages 634 and 635 of the April Guide.

For late-fee posting at Post Offices and Railway Termini in London, *see* pages 606-609 of the April Guide, as amended on page 14 of this Supplement.

## PUBLIC HOLIDAYS.

(Pages 146-147.) In the Provinces.

*The following should be substituted for the first five paragraphs appearing under the above heading.*

On **Bank Holidays** in **England and Ireland** and on **Public holidays** (exclusive of New Year's Day) in **Scotland**, the public counter at Head and Branch Offices, and at Town and Country Sub-Offices which are also Telegraph Delivering Offices, is open as a rule only for a period between 9 a.m. and 12 noon and, in the case of the more important Offices, also for a short period in the evening, for the sale of Postage Stamps, Registration of Letters, Telegraph, Parcel Post and Express Delivery business, and (at the morning attendance only) for Postal Order business. **Ordinary Money Order, Savings Bank, Licence and Old Age Pension business is not transacted.**

Extended facilities for the transaction of Telegraph business are afforded at certain Offices.

Telegraph Money Order business is transacted during the hours when an Office is open for Telegraph business, but in no case earlier than 8 a.m. or later than 8 p.m.

Many Town and Country Sub-Offices are closed altogether on Bank Holidays.

The arrangements in force at individual offices can be ascertained locally.

(Page 153.) *Add the following:—*

**Income Tax Stamps** of the following denominations—

are on sale at Head Post Offices and at London District Offices. They can also be obtained from Collectors of Customs and Excise.

If application for these stamps is made to a Head Postmaster by post, a Money Order for the value of the stamps (on which poundage must be paid at the ordinary rate) must be enclosed, and postage on the letter should be prepaid.

**Government Stamped Tickets**, for payment of Entertainments duty, can be obtained from Collectors of Customs and Excise, or from the Entertainment Tax Branch, Customs House, London, E.C. They are not kept at Post Offices or obtained on application,

**Prohibitions.**—Same as United States of America Official Service.  
**Observations.**—United States Post Offices have been established at the undermentioned places in the Canal Zone, i.e., Ancon, Ancon Station A, Balboa, Bas Obispo, Bohio, Corozal, Cristobal, Culebra, Empire, Gatun, Gorzosa, Las Cascadas, Matachin, Miraflores, Paraiso, Pedro Miguel, San Pablo, and Tabernilla. Invoices certified by United States Consul are not required.

**Prohibitions.**—Same as Australia.  
**Observations.**—No compensation is given for the loss or damage of parcels or their contents.

**Prohibitions.**—Letters; articles of gold and silver, jewellery &c., corrosive fluids.

Parcels addressed to these Agencies are delivered at the Agencies only. They cannot be forwarded into the interior and their address accordingly must not include a request for re-transmission. "Indian Postal Agency" should form part of the address. Parcels intended for delivery at the Persian Post Offices at these places and all parcels intended for transmission into the interior of Southern Persia by the Persian Inland Post should be addressed and prepaid as shown under (c) Persian Post Offices in Southern Persia, overleaf.

**Prohibitions.**—Letters; coin not of gold or silver; aniline dyes or dyes containing aniline; seditious works; articles offensive to good manners or to the Mussulman religion; ammunition; arms (except saloon rifles, air-guns, walking-stick guns, daggers with a blade less than 20 centimetres in length and arms for a collection) unless accompanied by a special authorization from the General Administration of the Persian Customs, attached to the Despatch Note; morphine, except to qualified pharmaceutical chemists for medicinal use.

**Observations.**—Parcels for places in Northern Persia (north of a line drawn immediately north of Dizful-Shiraz-Kirman-Birdjend) only are accepted for transmission via Russia, and must be addressed to the proper office on the frontier, the route as indicated being shown both on the parcel and on the relative Despatch Note. The frontier offices are:—(a) Djoulfa (via Djoulfa) (see note below); (b) Astara (via Baku-Astara); (c) Enzeli (via Baku-Enzeli); (d) Badjghiran (via Baku-Badjghiran); (e) Meshed-Issar (via Baku-Meshed-Issar); (f) Bender-Guez (via Baku-Bender-Guez). Parcels destined for towns beyond the frontier offices must be addressed thus:—

"Name of Addressee,

"Place of Residence,

"Poste Restante at ——" (one of the places specified).

The address must not contain any directions for re-transmission in Persia. The addressee must obtain the parcels from the Poste Restante or have them sent on by Persian parcel post, subject to the Persian inland charge. Parcels for transmission by the Archangel route must be clearly addressed "via Archangel" on the Despatch Notes and the parcels themselves.

Parcels must be packed in stout wooden boxes or barrels, in strong leather, or in hermetically-sealed zinc or tin receptacles; otherwise they will be rejected by the authorities. As an exception, parcels packed in thick oil-cloth are accepted for transmission at sender's risk provided that the covers are sewn on and sealed with lead seals, not wax, and that they are provided with a stout linen-backed label securely sewn to the cover by stitching along the edges and diagonally across the label on which a clear space not less than 5 inches in depth by 3 inches in width has been left for affixing official labels. The parcels may be addressed on the rest of the label. If addressed on the cover itself, the address must be painted on the cover, preferably with white paint. Generally, parcels must be so sealed that they cannot be opened unless the seals are broken. The seals must bear the impression of a private device of the sender. To avoid delay at the Russian frontier, senders are strongly advised to tie all parcels round with cord, sealing the loose ends with lead seals. Separate Despatch Notes and separate Customs Declarations are required in the case of each parcel for Persia sent via Russia, and they must show all the details required in the case of parcels for Russia. (See entry under "Russia.")

**NOTE:**—The "Djoulfa" mentioned above is in the province of Azerbaijan, and must not be confused with Djoulfa, Ispahan, for which the proper address is Poste Restante, Enzeli (see (c) above).

1 **Prohibitions.**—Letters (except one for the addressee); soiled paper; cotton waste; coffee prepared  
with colouring matter; colouring matter and essences used for the manufacture or adulteration of  
wine; arms and ammunition of war (unless addressed to the State authorities); game (from Feb. 1  
to Aug. 1); copper, nickel, silver or gold coins not current in Roumania (except antique coins);  
5 coins intended for purposes of ornament; saccharine and similar products (unless addressed to  
authorised chemists). Tobacco, cigarette papers, playing cards, salt, ikons, patent medicines,  
pharmaceutical specialties, mineral waters, margarine, and weights and measures of any kind are  
5 only admitted by special permission. Trees and shrubs and parts thereof must be accompanied  
by a phylloxera certificate—see April Guide, p. 68. The importation of food and meat is subject  
to special conditions, and parcels containing them can only be accepted at the sender's risk.

5 **Observations.**—Contents should be described in detail in French on the Customs declaration  
according to the terms of the Roumanian tariff. The value and net weight of each kind of  
article or goods must be stated. Parcels containing merchandise sent by or to traders must be  
accompanied by invoices, which should be attached to the relative Despatch Notes.

2 **Prohibitions.**—Letters; small silver and copper coins, Russian or foreign; air-guns; sword-sticks;  
playing cards; margarine products; artificial saffron; articles coloured with arsenical dyes; all  
parts of the vine except grapes; plants (unless accompanied by a phylloxera certificate—see April  
Guide, p. 68. One certificate suffices for 3 uninsured parcels for same addressee); swine's flesh,  
and all its products, except lard; brandy, poisons, alcoholic varnish, and potatoes addressed to  
Finland, unless for properly authorised firms; labels not sent with the goods to which they  
2 apply; aniline and similar dyes except in crystal form; unauthorised medicines; arms (except by  
special permission to be obtained by the addressee); old clothes sent for purposes of trade, rags,  
and unmanufactured animal products (unless accompanied by a proper certificate of disinfection);  
alcohol and alcoholic beverages (unless addressed to properly authorised firms); gold or  
silver articles not up to the proper standard; articles of celluloid except in wooden boxes.

2 **Observations.**—Parcels must be packed in wood, tin, canvas, linen, or similar material and not  
merely in paper or cardboard, and be securely sealed with wax or lead, preferably lead. Parcels  
not packed in wooden or metal boxes must be covered with canvas, linen, or oilcloth (not linen-  
faced paper) sewn up at the flaps and folds, and secured with string sealed at the knots and  
ends. Parcels covered with oilcloth must be provided with a stout linen-backed label securely  
sewn to the cover by stitching along the edges and diagonally across the label on which a clear  
space not less than 5 in. by 3 in. has been left for affixing official labels. The parcels may be  
addressed on the rest of the label. If addressed on the cover itself, the address must be painted  
on the cover, preferably with white paint. Wooden boxes must be of stout material well screwed  
or nailed together at the sides, top and bottom. To avoid delay at the Russian frontier, senders  
are strongly advised to tie all parcels round with cord, sealing the loose ends with lead seals.  
Addresses must be clearly written. The name of the town and province should be added in English,  
French or German. Customs Declarations must show the gross weight (in grammes) of the parcel,  
including the packing, and the total value of the parcel must be stated. No erasure or amend-  
ment may be made in the entries relating to the description, number, or weight of the contents.  
A separate entry must be made of each kind of article or goods, describing precisely in each case  
the quality according to the commercial denomination, the quantity (according to ordinary trade  
usage) by number, measurement, and net weight (in grammes), and the value in English or in  
Russian currency. Neglect of these regulations will lead to the rejection of the parcel by the  
Russian Customs and its return to the sender.

Separate Despatch Notes and separate Customs Declarations are required in the case of each parcel  
for Russia.

2 **Prohibitions.**—Same as Russia in Europe.

2 **Observations.**—Same as Russia in Europe except that the regulations as to packing are more  
stringent. The parcels must be packed in strong wooden boxes or barrels at least  $\frac{3}{4}$  centimetre  
(about  $\frac{3}{16}$  in.) thick, or in metal or leather coverings or in very strong linen or canvas.

Separate Despatch Notes and separate Customs Declarations are required in the case of each parcel  
for Russia.

Payment of Customs duty cannot be undertaken by the sender.

The value shown on the Customs Declaration must not be less than the market value in the United Kingdom. Under-valuation of parcels may involve their confiscation.

If the value of the goods (exclusive of papers such as stocks, bonds, etc., of no commercial value) contained in a parcel or in several parcels sent at the same time by one sender to the same addressee exceeds £20 10s. or 100 dollars, an invoice certified by a United States Consul must be furnished. To avoid delay it is desirable that this invoice should accompany the parcel or parcels, but the sender, if he prefers, may send it direct to the addressee; in either case the relative Customs Declaration should be suitably noted.

**C1 Prohibitions.**—Letters: opium (except for medical purposes); prison-made goods; absinthe; wines and spirits (except in bottles—on which Customs duty will be charged as if each parcel contained not less than 12 bottles); feathers and skins of wild birds (except ostrich feathers), unless intended for scientific or educational purposes; cigars and cigarettes, unless sent in quantities numbering at least 3,000 in a single package (see Observations); potatoes, cotton lint (including all forms of unmanufactured cotton), cotton seeds and pods, living sugar canes or cuttings or parts of sugar canes, and all growing or living plants, seeds and other plant products for propagation (including bulbs, roots and tubers and the seeds of trees and shrubs, but not field, vegetable and flower seeds), unless addressed to and intended for the use of the Office of Foreign Seed and Plant Introduction, United States Department of Agriculture, Washington. Sealskins and articles wholly or in part made from them are not admissible unless accompanied by American Consul's certificate of origin.

**Observations.**—Consignments of tobacco, cigars and cigarettes should be sent in separate parcels and not packed with other articles.

The Customs tariff is high compared with that of other countries. When the sender wishes to undertake payment of the Customs and other charges a deposit of 1s. for every 4s. or fraction of 4s. of the value, with a minimum deposit of 5s., is required (see also April Guide, page 65).

A separate customs declaration must be prepared for each parcel.

If the value of the goods (exclusive of papers such as stocks, bonds, etc., of no commercial value) contained in a parcel or in several parcels sent at the same time by one sender to the same addressee, exceeds £20 10s., or 100 dollars, an invoice certified by a United States Consul must be furnished. To avoid delay it is desirable that this invoice should accompany the parcel or parcels, but the sender, if he prefers, may send it direct to the addressee; in either case the relative Customs Declaration should be suitably noted.

**AMENDMENTS TO LIST OF PROVINCIAL OFFICES IN THE UNITED KINGDOM.****(Page 154.)**

Particulars shown against an entry in this list of Amendments supersede those appearing against the corresponding entry in the list given at pages 157 to 517 of the April issue of the Post Office Guide, except as regards the hours of Telegraph business at Railway Stations in certain towns when the Post Office is closed. The hours of business at these stations remain as shown in the April Guide, unless otherwise stated.

The arrangement of the list and the meaning of the symbols are as explained on pages 154-156 of that issue.

Where an Office shown in the April list has been closed, the words "Office closed" appear in the third column.

The ordinary hours of business at Telegraph Offices on Week Days are now 9 a.m. to 7 p.m. The list contains the names of all offices at which the hours of Telegraph business vary from the normal, and the exceptional hours are shown in the third column. The hours of Telegraph business on Sundays generally remain the same; any alterations are shown in the list.

The hours of Telegraph business at Railway Stations have not been changed appreciably, but where attendance is other than from 9 a.m. to 7 p.m. the name of the Station is given in the list with the exceptional hours.

Certain offices which are not Money Order Offices now transact Savings Bank business. They are denoted by the letters SB in the second column.

SUPPLEMENT TO  
POST OFFICE  
GUIDE.

—  
October, 1916.

*See notice within.*

Sold at all Post Offices.

**Price 3d.**

## **NOTICE.**

---

The Post Office Guide published in April, 1916, remains in force subject to the amendments contained in this Supplement, which supersedes that published in July. Against each section of the Supplement is shown in parentheses the page in the Guide which is affected.

The services are liable to modification or suspension in consequence of the War.

### **EARLY POSTING.**

In view of the restricted number of postal collections and deliveries now afforded throughout the Kingdom, it is particularly desirable that **LETTERS SHOULD BE POSTED AS EARLY IN THE DAY** as possible. In many rural districts there is only one delivery, and letters for such districts, unless posted in time for early evening mails, will not be delivered until the second day after posting. Early posting also facilitates the work of the Post Office Sorters, and, on account of the great depletion of staff for military purposes, this assistance will be much appreciated.

### **TELEGRAPH BUSINESS.**

Special attention is called to the statement on pages 12 and 13 concerning the restricted hours of telegraph business.

---

The Post Office Guide and the Supplement can be purchased at any Post Office.

Applications for advertisement space should be addressed to Sell's Limited, 168 Fleet Street, London, E.C.

All communications relating to the text of the Guide should be addressed to "The Secretary, General Post Office, E.C.," and should be marked outside "Post Office Guide."

## INLAND POST.

### (Page 10.) BOOK PACKETS.

In the definition of a book packet, *strike out* section (b) and *substitute* :—

“(b) Sketches, drawings, paintings, photographic prints, and engravings on paper or on some substance ordinarily used for the purpose, provided it is not a brittle or exceptionally fragile substance.”

### (Page 16.) NEWSPAPERS.

In the first paragraph *strike out* :—“For example—documents of the following descriptions if enclosed in copies of registered newspapers render them liable to postage according to weight.” *Substitute* :—“For example—documents of the following descriptions if enclosed in copies of registered newspapers render them inadmissible at the Newspaper rate of postage—”

### (Page 21.) Articles sent for Medical Examination or Analysis.

*Strike out the existing regulations. Substitute the following* :—

Deleterious liquids or substances, though otherwise prohibited from transmission by post, may be sent for medical examination or analysis to a recognised Medical Laboratory or Institute, whether or not belonging to a public health authority, or to a qualified Medical Practitioner or Veterinary Surgeon within the United Kingdom, by **Letter Post, and on no account by Parcel Post**, under the following conditions :—

Any such liquid or substance must be enclosed in a receptacle, hermetically sealed or otherwise securely closed, which receptacle must itself be placed in a strong wooden, leather, or metal case in such a way that it cannot shift about, and with a sufficient quantity of some absorbent material (such as saw-dust or cotton-wool) so packed about the receptacle as absolutely to prevent any possible leakage from the package in the event of damage to the receptacle. The packet so made up must be conspicuously marked “Fragile with care,” and bear the words “Pathological Specimen.”

Any packet of the kind found in the parcel post, or found in the letter post not packed and marked as directed, will be at once stopped and destroyed with all its wrappings and enclosures. Further, any person who sends by post a deleterious liquid or substance for medical examination or analysis otherwise than as provided by these regulations is liable to prosecution.

If receptacles are supplied by a Laboratory or Institute, they should be submitted to the Secretary, General Post Office, in order to ascertain whether they are regarded as complying with the regulations.

## EXPRESS DELIVERY SERVICES.

### (Page 31.) Service I.—Special Messenger all the way.

*Strike out* :—“In London, Correspondence for Express Delivery is accepted at all the more important Post Offices (*see pages 612-633*).”

*Substitute* :—“In London, this Service is suspended for the present.”

**(Page 32.) Hours of Posting.**

*The following should be substituted for the information appearing under the above heading:—*

On week-days, when the offices are open for telegraph delivery, generally from 9 a.m. to 7 p.m. in the Provinces. For provincial offices open earlier and later, see pages 16–80 of this Supplement.

There is no Express Delivery by Messenger all the way (Service I.) on Sunday, Good Friday, or Christmas Day, in England and Ireland, or on Sunday in Scotland.

**(Page 35.) Charges.**

Strike out paragraph (c).

**SERVICE II.****(Page 36.) Express Delivery after Transmission by Ordinary Post.**

*The following replaces the first paragraph under the above heading:—*

**Delivery.**

On **Week Days** Express Correspondence will be delivered by **Messenger** during the hours in which the Office of Delivery is open for Telegraph business, but not, as a rule, between 11 p.m. and 7 a.m. Unless specially indicated on pages 16–80 of this Supplement, Provincial Post Offices are open for Telegraph business from 9 a.m. to 7 p.m. At most small towns and villages, therefore, it is generally impracticable to deliver an Express Packet received by the Night Mail otherwise than by the ordinary postman engaged in the first delivery of letters. The Express fee prepaid on a packet so delivered will be refunded to the sender if written application be made to the Secretary, General Post Office, enclosing the cover of the packet, and stating the name and address of the sender.

**(Page 42.) COMBINATION OF LATE-FEE SERVICE AND EXPRESS SERVICE.**

In London this Service is suspended for the present, and the words referring to the General Post Office or other Post Office in London, in the first paragraph under the above heading, should be struck out.

**(Page 48.) PREPAYMENT OF CORRESPONDENCE IN MONEY.**

*Add to the list of offices at which correspondence may be prepaid in money:—Leytonstone, High Street (801).*

Correspondence intended for prepayment under this system must be presented at the counter of this office between 9.0 a.m. and 3.0 p.m.

The prepaid rate of postage on letters from the United Kingdom for the places in China where there are British Post Office Agencies is now 2½d. for the first ounce, and 1½d. for each ounce after. ### Customs and other Charges payable by Sender.

The amount of the deposit to be paid in respect of parcels for Southern Rhodesia by senders desiring to undertake the payment of the Customs and other charges ordinarily payable by the addressees will in future be 1s. for each 4s. or fraction of 4s. of the value of the parcel, with a minimum deposit of 5s., as in the case of parcels for Canada, New Zealand, Union of South Africa and the United States of America. The words "Southern Rhodesia" should accordingly be inserted between "New Zealand" and "the Union of South Africa" in the last paragraph.

A special charge is payable on parcels containing tobacco, cigars or cigarettes addressed to individual members of the French Army; and the following sentence should be added after the words "for each 10s. or fraction of 10s." :—

"In the case of parcels containing tobacco, cigars or cigarettes, and addressed to individual members of the French Army, the deposit is fixed at one and a-half times the declared value of the contents, with a minimum of 1s."

**(Page 66.) Packing and Sealing.**

Parcels containing articles composed wholly or partly of celluloid must be well packed in strong wooden boxes; and the first sentence of the third paragraph under the above heading "Celluloid, unmanufactured or in sheets . . . when one is used," should be deleted and the following substituted :—

## FOREIGN AND COLONIAL TELEGRAPH MONEY ORDERS.

(Pages 124 and 125.)

**The subjoined information takes the place of that appearing under the heading "Foreign Telegraph Money Orders."**

Telegraph Money Orders may be sent to and are received from certain British Colonies, Dependencies, etc., and Foreign countries, which are indicated by the letter T in column 4 of the list of Countries on pages 182-189 of this Supplement. In certain of these countries, which are noted in the list (column 5), the Telegraph Money Order Service is restricted to particular places, a list of which may be seen at any Telegraph Money Order Office.

### Deferred Telegrams for British Dominions and Dependencies.

At the option of the sender, the Telegram of Advice for British Dominions and Dependencies may be sent at **ordinary** or **deferred** rates. In the latter case the Telegrams will be subject, if necessary, to deferment during transmission for a period not exceeding 24 hours in favour of full-rate telegrams. In cases of special urgency, therefore, the Telegrams of Advice should be sent at the full rates.

### Special features of Service with Canada, Newfoundland, and the United States.

Under an arrangement with the Western Union Telegraph Company, Telegraph Money Orders may now be sent from any Telegraph Money Order Office in the United Kingdom to any place in Canada or the United States, and to certain places in Newfoundland. Payment is made not by the Post Office but by the local Agents of the Western Union Telegraph Company, and, when the Order is addressed to a Post Office to be called for, the Payee should apply, not for a Telegraph Money Order, but for a letter (i.e. a notice from the agent of the Company telling him where the money is to be obtained).

### The charges for Telegraph Money Orders payable abroad are as follows :—

- (1) **Money order poundage at the ordinary rate for Money Orders payable abroad.** See page 10 of this Supplement.

- (2) A charge for the Telegram of Advice at the ordinary, or, in certain cases, the *deferred* rate for telegrams addressed to the place of destination.

(Note.—The ordinary rate must be charged for the Telegrams of Advice of all Orders payable in Foreign Countries, but Telegraph Money Orders payable in any British Colony, Dependency, etc., may be sent at the deferred or ordinary rates at the option of the remitter.)

- (3) A Supplementary Fee as follows :—

For Foreign Countries—6d.

For British Colonies and Dependencies (except Canada and Newfoundland)—1s.

For Canada and Newfoundland—6d. at ordinary rate, 1s. at deferred rate.

The Remitter is allowed, on paying for the additional words required, to add to the official Telegram of Advice any short communication which he may wish to send to the Payee.

The Remitter may also obtain an Advice of Payment, as in the case of ordinary Orders payable abroad, on paying a fee of 2½d. If he wishes the request for an Advice of Payment to be communicated to the Office of Payment in the Telegram of Advice he must pay the cost of including the words "Advise Payment."

The general regulations relating to Money Orders payable abroad and to Inland Telegraph Orders apply, so far as they are applicable, to Telegraph Money Orders exchanged with Foreign Countries, British Colonies, etc.

## HOURS OF BUSINESS.

### WEEK DAYS.

(To be substituted for particulars on pages 143 and 144 of April Guide.)

### In the Provinces.

The larger Provincial Post Offices in Town and Country are, where practicable, open for every kind of business from 8 a.m. to 8 p.m., except on Public Holidays; but in present conditions many offices are not open before 9 a.m. nor after 7 p.m., and many are closed for an hour or more in the middle of the day. Further restrictions in the hours of public business are in force at certain Sub-Offices where Telegraph business is not transacted.

The hours during which an office is open and the class of counter business transacted can be ascertained by reference to the local window notice.

The **ordinary hours** during which **Telegraph Offices** are open on week-days are from **9 a.m. to 7 p.m.** Exceptional hours of daily attendance are generally shown on pages 16-80 of this Supplement; but where a Delivery Office is closed for any part of the normal attendance (9 a.m. to 7 p.m.), and delivery is maintained meanwhile from a neighbouring office, the exceptional hour of opening or closing is not shown. The hours of attendance, however, always appear in the local window notice.

**Most Town and Country Sub-Offices** are closed early one day in the week, generally on the local half-holiday. Telegrams are then delivered from a neighbouring Office at the same portorage (if any) as if delivered from the usual Delivery Office.

Telegrams handed in just before the closing time of the office of delivery cannot always reach their destination until the next morning.

### In London.

At the **General Post Office, King Edward Street**, every description of Postal and Telegraph business is transacted between the hours of 6.45 a.m. and 10 p.m. For Telegraph business and the sale of stamps the Office at the corner of Newgate Street is open always.

The **Principal Offices** in the several Districts are open as under:—

South-Western District Office	... }	7 a.m. to 10 p.m.
Western Central District Office	... }	
Western District Office	... }	8 a.m. to 10 p.m.
Northern District Office	... }	8 a.m. to 9 p.m.
Eastern District Office	... }	
North-Western District Office	... }	
Paddington District Office	... }	
South-Eastern District Office	... }	8 a.m. to 8 p.m.
Battersea	... }	
Norwood	... }	

At these Offices every kind of business is done during these hours except Money Order, Savings Bank, and Licence business, which is done only between 8 a.m. and 8 p.m.

The hours of business at all Post Offices in the London Postal Area are from 8 a.m. to 8 p.m., unless otherwise shown at pages 612-633 of the April Guide, as amended on pages 83-85 of this Supplement.

Postal Orders are issued and paid, and Stamps are sold, during the time the office is open. The West Strand Telegraph Office (447, Strand), is open always for Telegraph and Telephone business and the sale of stamps.

The hours of business at Railway Station Telegraph Offices are shown at pages 634 and 635 of the April Guide.

For late-fee posting at Post Offices and Railway Termini in London, see pages 606-609 of the April Guide, as amended on page 81 of this Supplement.

## PUBLIC HOLIDAYS.

(Pages 146-147.) In the Provinces.

To be substituted for the first five paragraphs appearing under the above heading on pages 146-147 of the April Guide.

On **Bank Holidays** in **England and Ireland** and on **Public holidays** (exclusive of New Year's Day) in **Scotland**, the public counter at Head and Branch Offices, and at Town and Country Sub-Offices which are also Telegraph Delivering Offices, is open as a rule only for a period between 9 a.m. and 12 noon and, in the case of the more important Offices, also for a short period in the evening, for the sale of Postage Stamps, Registration of Letters, Telegraph, Parcel Post and Express Delivery business, and (at the morning attendance only) for Postal Order business. **Ordinary Money Order, Savings Bank, Licence and Old Age Pension business is not transacted.**

Extended facilities for the transaction of Telegraph business are afforded at certain Offices.

Telegraph Money Order business is transacted during the hours when an Office is open for Telegraph business, but in no case earlier than 8 a.m. or later than 8 p.m.

Many Town and Country Sub-Offices are closed altogether on Bank Holidays.

The arrangements in force at individual offices can be ascertained locally.

## AMENDMENTS TO LIST OF PROVINCIAL OFFICES IN THE UNITED KINGDOM.

(Page 154.)

Particulars shown against an entry in this list of Amendments supersede those appearing against the corresponding entry in the list given at pages 157 to 517 of the April issue of the Post Office Guide, except as regards the hours of Telegraph business at Railway Stations in certain towns when the Post Office is closed. The hours of business at these stations remain as shown in the April Guide, unless otherwise stated.

The arrangement of the list and the meaning of the symbols are as explained on pages 154-156 of that issue.

Where an Office shown in the April list has been closed, the words "Office closed" appear in the third column.

The ordinary hours of business at Telegraph Offices on Week Days are now 9 a.m. to 7 p.m. The list contains the names of all offices at which the hours of Telegraph business vary from the normal, and the exceptional hours are shown in the third column. The hours of Telegraph business on Sundays generally remain the same; any alterations are shown in the list.

The hours of Telegraph business at Railway Stations have not been changed appreciably, but where attendance is other than from 9 a.m. to 7 p.m. the name of the Station is given in the list with the exceptional hours.

Certain offices which are not Money Order Offices now transact Savings Bank business. They are denoted by the letters SB in the second column.

## FOREIGN AND COLONIAL PARCEL POST.

### Table of Rates of Postage, dates of Despatch of Mails, etc.

**NOTE.**—The sender of a parcel for any place abroad must fill up a Customs Declaration on a form provided for the purpose. There are two forms in use, one an adhesive form to be used in connection with parcels for all British Possessions and a few foreign countries, and the other a non-adhesive form to be used for parcels for all other places abroad. In column 7 below, the letter "A" signifies that the adhesive form must be used, and the letter "C" the non-adhesive. The figure following the letter "C" shows the number of identical copies of the Customs Declaration which are required in each case.

When a non-adhesive form "C" is used, the sender must also fill up a despatch note.

See separate Tables as regards Letters (pages 88-113 of this Supplement, and pages 710-767 of the April issue of the Post Office Guide).

For Expeditionary Forces and Prisoners of War, see special leaflets obtainable at Post Offices.

- Observations.**—No compensation is given for the loss or damage of parcels containing liquids, or for the damage of glass, eggs, collections of butterflies or articles of a fragile or perishable nature. The value of each kind of goods should be shown separately on the Customs Declaration in addition to the net weight or quantity as required by the general regulations given at pages 63-4 of the April Guide.
- C 2 **Prohibitions.**—Arms and implements of war; articles injurious to health; cinematograph films.
- Observations.**—Insured parcels for Chile are delivered only at the undermentioned Offices:—Ancud, Antofagasta, Arica, Caldera, Chillan, Concepción, Coquimbo, Curico, Iquique, La Serena, Linares, Los Andes, Pisagua, Puerto Montt, Punta Arenas, Rancagua, San Felipe, San Fernando, Santiago, Tacna, Talca, Talcahuano, Valdivia and Valparaiso. Parcels must be packed with strong materials, preferably in tin boxes. Parcels packed in paper only cannot be accepted. If an insured parcel be addressed to any other Post Office in Chile, the addressee has to claim it at the nearest of the Offices above named. If the value of the goods contained in a parcel or in several parcels posted at the same time by one sender to the same addressee exceeds £5, an invoice certified by a Chilean Consul must be furnished.
- A **Prohibitions.**—Letters; copper coin; opium; morphine and instruments employed in its use; cocaine; ganja; hashish; bhong; cannabis; salt; arms and ammunition.
- Observations.**—*General.* The postage covers transmission to certain Offices only, a list of which may be seen at any Post Office, and insurance extends to those Offices only. Extra postage is collected from the addressee for the inland transmission of parcels for other Offices; and the limits of size for such parcels are 2 feet in length, breadth or depth, and 4 feet in length and girth combined, except that parcels containing maps, umbrellas, etc., which do not measure more than 8 inches in breadth or depth, may be as much as 3 feet 3 inches in length. Such parcels may be insured as far as the service extends (see page 76 of the April Guide).
- The insured parcel service to the Province of Szechwan and the Parcel Post to Weihien and Chou-trun in Shantung Province and to the provinces of Shansi and Kansu are suspended.*
- Siberian Route.—Special regulations.* The parcels must bear on the cover and Despatch Note the following indication:—"Via Russia and Tiensin (Japanese and German Post Offices)." Customs
- C 4 **Declarations** must be prepared in the same way as for parcels addressed to Russia. The parcels must be packed in strong wooden boxes or barrels at least 1 centimetre (about  $\frac{1}{8}$  in.) thick, or in metal or leather coverings, or in very strong linen or canvas, and must be securely sealed with wax or lead.
- A **Prohibitions.**—Letters; copper coin; opium; morphine and instruments employed in its use; cocaine; ganja; hashish; bhong; cannabis; salt; arms and ammunition.

Amoy, Canton, Chefoo, Foochow, Hankow, Hoihow, Ningpo, Shanghai, Swatow, Tientsin, and Wei-hai-wei. The presence in the address of the name of any other place before the name of one of those towns usually involves conveyance by the Chinese Post Office and prepayment at the rates specified under (A) above. As an exception, parcels for the British Legation at Peking and for the British Field Force in North China are handed over at the British Agency at Tientsin to the British Military Authorities, and are transmissible by this Service if addressed "c/o British Post Office, Tientsin."
- Siberian Route.*—The parcels must be addressed, both on the cover and Despatch Note, to the British Post Office at the place of destination. **Prohibitions.**—Same as United States of America Official Service.  
**Observations.**—United States Post Offices have been established at the undermentioned places in the Canal Zone, i.e., Ancon, Ancon Station A, Balboa, Bas Obispo, Bohio, Corozal, Cristobal, Culebra, Empire, Gatun, Gorgona, Las Cascadas, Matachin, Miraflores, Paraiso, Pedro Miguel, San Pablo, and Tabernilla. Invoices certified by United States Consul are not required.

**Prohibitions.**—Same as Australia.  
**Observations.**—No compensation is given for the loss or damage of parcels or their contents.

**Prohibitions.**—Letters; articles of gold and silver, jewellery &c., corrosive fluids.

Parcels addressed to these Agencies are delivered at the Agencies only. They cannot be forwarded into the interior and their address accordingly must not include a request for re-transmission. "Indian Postal Agency" should form part of the address. Parcels intended for delivery at the Persian Post Offices at these places and all parcels intended for transmission into the interior of Southern Persia by the Persian Inland Post should be addressed and prepaid as shown under (c) Persian Post Offices in Southern Persia, overleaf.

**Prohibitions.**—Letters; coin not of gold or silver; aniline dyes or dyes containing aniline; seditious works; articles offensive to good manners or to the Mussulman religion; ammunition; arms (except saloon rifles, air-guns, walking-stick guns, daggers with a blade less than 20 centimetres in length and arms for a collection) unless accompanied by a special authorization from the General Administration of the Persian Customs, attached to the Despatch Note; morphine, except to qualified pharmaceutical chemists for medicinal use.

**Observations.**—Parcels for places in Northern Persia (north of a line drawn immediately north of Dizful-Shiraz-Kirman-Birdjend) only are accepted for transmission via Russia, and must be addressed to the proper office on the frontier, the route as indicated being shown both on the parcel and on the relative Despatch Note. The frontier offices are:—(a) Djoulfa (via Djoulfa) (see note below); (b) Astara (via Baku-Astara); (c) Enzeli (via Baku-Enzeli); (d) Radjghiran (via Baku-Badjghiran); (e) Meshed-Isaar (via Baku-Meshed-Isaar); (f) Bender-Guez (via Baku-Bender-Guez). Parcels destined for towns beyond the frontier offices must be addressed thus:—

"Name of Addressee,

"Place of Residence,

"Poste Restante at ——" (one of the places specified).

The address must not contain any directions for re-transmission in Persia. The addressee must obtain the parcels from the Poste Restante or have them sent on by Persian parcel post, subject to the Persian inland charge. Parcels for transmission by the Archangel route must be clearly addressed "via Archangel" on the Despatch Notes and the parcels themselves.

Parcels must be packed in stout wooden boxes or barrels, in strong leather, or in hermetically-sealed zinc or tin receptacles; otherwise they will be rejected by the authorities. As an exception, parcels packed in thick oil-cloth are accepted for transmission at sender's risk provided that the covers are sewn on and sealed with lead seals, not wax, and that they are provided with a stout linen-backed label securely sewn to the cover by stitching along the edges and diagonally across the label on which a clear space not less than 5 inches in depth by 3 inches in width has been left for affixing official labels. The parcels may be addressed on the rest of the label. If addressed on the cover itself, the address must be painted on the cover, preferably with white paint. Generally, parcels must be so sealed that they cannot be opened unless the seals are broken. The seals must bear the impression of a private device of the sender. To avoid delay at the Russian frontier, senders are strongly advised to tie all parcels round with cord, sealing the loose ends with lead seals. Separate Despatch Notes and separate Customs Declarations are required in the case of each parcel for Persia sent via Russia, and they must show all the details required in the case of parcels for Russia. (See entry under "Russia.")

**NOTE.**—The "Djoulfa" mentioned above is in the province of Azerbaïdjan, and must not be confused with Djoulfa, Ispahan, for which the proper address is Poste Restante, Enzeli (see (c) above).

They must be claimed at Mangareva by an agent of the addressees, who must make arrangements for their onward conveyance to Pitcairn. The address should include the words, “VIA Mangareva (French Settlements of Oceania).”

6 4	<p><b>Prohibitions.</b>—Letters (except one for the addressee); soiled paper; cotton waste; coffee prepared with colouring matter; colouring matter and essences used for the manufacture or adulteration of wine; arms and ammunition of war (unless addressed to the State authorities); game (from Feb. 1 to Aug. 1); copper, nickel, silver or gold coins not current in Roumania (except antique coins); coins intended for purposes of ornament; saccharine and similar products (unless addressed to authorised chemists). Tobacco, cigarette papers, playing cards, salt, ikons, patent medicines, pharmaceutical specialities, mineral waters, margarine, and weights and measures of any kind are only admitted by special permission. Trees and shrubs and parts thereof must be accompanied by a phylloxera certificate—see April Guide, p. 68. The importation of food and meat is subject to special conditions, and parcels containing them can only be accepted at the sender's risk.</p>
C 5	
C 5	<p><b>Observations.</b>—Contents should be described in detail in French on the Customs declaration according to the terms of the Roumanian tariff. The value and net weight of each kind of article or goods must be stated. Parcels containing merchandise sent by or to traders must be accompanied by invoices, which should be attached to the relative Despatch Notes.</p>
C 2	<p><b>Prohibitions.</b>—Letters; small silver and copper coins, Russian or foreign; air-guns; sword-sticks; playing cards; margarine products; artificial saffron; articles coloured with arsenical dyes; all parts of the vine except grapes; plants (unless accompanied by a phylloxera certificate—see April Guide, p. 68. One certificate suffices for 3 uninsured parcels for same addressee); swine's flesh, and all its products, except lard; brandy, poisons, alcoholic varnish, and potatoes addressed to Finland, unless for properly authorised firms; labels not sent with the goods to which they apply; aniline and similar dyes except in crystal form; unauthorised medicines; arms (except by special permission to be obtained by the addressee); old clothes sent for purposes of trade, rags, and unmanufactured animal products (unless accompanied by a proper certificate of disinfection); alcohol and alcoholic beverages (unless addressed to properly authorised firms); gold or silver articles not up to the proper standard; articles of celluloid except in wooden boxes.</p>
C 2	
C 2	<p><b>Observations.</b>—Parcels must be packed in wood, tin, canvas, linen, or similar material and not merely in paper or cardboard, and be securely sealed with wax or lead, preferably lead. Parcels not packed in wooden or metal boxes must be covered with canvas, linen, or oilcloth (not lined paper) sewn up at the flaps and folds, and secured with string sealed at the knots and ends. Parcels covered with oilcloth must be provided with a stout linen-backed label securely sewn to the cover by stitching along the edges and diagonally across the label on which a clear space not less than 5 in. by 3 in. has been left for affixing official labels. The parcels may be addressed on the rest of the label. If addressed on the cover itself, the address must be painted on the cover, preferably with white paint. The name and address of the sender must be shown on the cover of every parcel addressed to Russia. Wooden boxes must be of stout material well screwed or nailed together at the sides, top and bottom. To avoid delay at the Russian frontier, senders are strongly advised to tie all parcels round with cord, sealing the loose ends with lead seals. Addresses must be clearly written. The name of the town and province should be added in English, French or German. Customs Declarations must show the gross weight (in grammes) of the parcel, including the packing, and the total value of the parcel must be stated. No erasure or amendment may be made in the entries relating to the description, number, or weight of the contents. A separate entry must be made of each kind of article or goods, describing precisely in each case the quality according to the commercial denomination, the quantity (according to ordinary trade usage) by number, measurement, and net weight (in grammes), and the value in English or in Russian currency. Neglect of these regulations will lead to the rejection of the parcel by the Russian Customs and its return to the sender.</p>
<p>Separate Despatch Notes and separate Customs Declarations are required in the case of each parcel for Russia.</p>	
C 2	<p><b>Prohibitions.</b>—Same as Russia in Europe.</p>
C 2	<p><b>Observations.</b>—Same as Russia in Europe except that the regulations as to packing are more stringent. **Observations.**—Express delivery confined to parcels for Free Town.  
Senders must show, by a label attached to the cover of the parcel, whether, in the event of non-delivery within 28 days of its arrival at the office of destination, it shall be (a) treated as abandoned, or (b) returned at the sender's expense. No other alternative is permissible.  
All parcels must be very strongly packed; and those of which the contents are liable to be affected by damp should be enclosed in waterproof covers.

**A Prohibitions.**—Same as Australia.  
**Observations.**—No compensation is paid in respect of loss or damage of parcels or their contents.

**Prohibitions.**—*General*: Letters; specie; bullion; gold dust; nuggets; ostrich feathers, except when made up into stoles, boas, hats, &c.; eucalyptus, acacia and coniferous plants; peach stones. Importers of firearms (except shot guns, rook rifles and revolvers for the Union of South Africa) must present a permit from the Colonial Government concerned.

*Additional (except Rhodesia)*: Precious stones, whether loose or set in articles of jewellery; bees; honey; old appliances, &c., for bee keeping. Eau de Cologne (Basutoland only).

All plants, fruits, tubers, bulbs, &c., are liable to inspection and precautionary fumigation at the expense of the addressee, and to destruction if pest or disease is found. Importers of plants or of cotton seed, beeswax, foundation comb or opium (which is admitted for medicinal purposes only) must present special permits from the proper South African Authority. In the case of plants permits are not generally issued for kinds procurable in the Union of South Africa. Potatoes are only admitted when accompanied by a sworn declaration of origin and a prescribed Government certification.

*Additional (Rhodesia only)*—(a) *Southern and Northern Rhodesia*: Stone fruit trees grown in any part of North America where either peach yellows or peach rosette exists; young rooted plants for budding or grafting purposes, except pear, plum, apricot, cherry, mango, apples (blight proof); gum-opium, extract of opium, popples or preparations of popples are only admitted for medicinal purposes and on presentation by the importers of a permit from the proper Rhodesian Authority. (b) *Southern Rhodesia only*: Importers of plants (which are subject to special conditions), and also of virus, vaccine, serum or analogous product used for the diagnosis of diseases of animals, must present a permit from the Government of Southern Rhodesia. Parcels irregularly imported are liable to detention or destruction. (c) *Northern Rhodesia only*: Seeds and plants must be accompanied by a certificate of origin.

**Observations.**—*General*: Limit of value £50. No compensation is paid in respect of loss or damage of parcels or their contents.

The value shown on the Customs Declaration must be the current value of the finished articles in the open market at the time of despatch. In case of under-valuation the parcel is liable to confiscation.

The procedure necessary for claiming rebate of Customs duty on British goods is set forth at pages 64 and 65 of the April Guide. When the sender wishes to undertake payment of the Customs and other charges, a deposit of 1s. for every 4s. or fraction of 4s. of the value of the parcel, with a minimum deposit of 5s., is required (see also April Guide, page 65).

*Additional (except Rhodesia)*: A charge of 6d. for stamp duty, clearance, &c., is levied on every dutiable parcel.

8.

**Observations (continued).**—Express delivery is confined to parcels for places with a Post Office from which there is a delivery of telegrams.

Walfish Bay is a free port, and no Customs duty is leviable on goods for that place.

**Additional (Rhodesia only):** A fee of 6d. or 1s. (according to value) for Customs clearance, &c., is levied on every dutiable parcel entering Southern Rhodesia; and a charge of 1s. is levied on all parcels entering Northern Rhodesia.

Parcels for Northern Rhodesia should be strongly packed, and should have an outer wrapper of waterproof paper or canvas. Cardboard boxes should not be used.

The net weight of any cigarettes, cigars or tobacco contained in parcels for Northern Rhodesia should be shown on the Customs Declaration.

A

**4 Prohibitions.**—Letters; coin; firearms and ammunition; air-guns; reproductions of charts published by the Spanish Ministry of Marine; missals, breviaries, rosaries, relics, &c., pharmaceutical preparations or patent medicines of unknown composition of which the prescription has not been published; substances containing saccharine; unmanufactured tobacco; tobacco seed and juice; plants (unless accompanied by a phylloxera certificate—see April Guide, pp. 68 and 69—to which, if in English, a French or Spanish version should be appended); gold, silver (including articles mounted with these metals), jewellery and playing cards, &c. A parcel may not consist of two or more packages tied together.

As regards plums, sardines, &c., see France, column 8.

**Observations.**—The number given to the parcel at the time of posting should be entered on the Customs Declarations. Parcels are delivered not by the Post Office but by the Railway Companies and at certain Railway Stations only. The name of a Railway Station where Parcel Post business is done must form part of the address both on the parcel and on the Despatch Note. A list of these Stations may be seen at any Post Office. The addressee must usually obtain the parcel at the Station specified. Parcels to be called for should be addressed "En Gare" and not "Poste Restante."

**A Prohibitions.**—Letters, spirits and bhong; firearms, parts of firearms and ammunition, except under permit; and, unless addressed to the Principal Civil Medical Officer, Straits Settlements, opium, morphia, morphine, cocaine, hypodermic syringes and other instruments or parts of instruments for hypodermic injection, including hypodermic needles.

Drugs should be fully described in the Customs Declaration; otherwise they are liable to be detained for examination.

**Observations.**—Communication with the Cocos Islands, where there is no Post Office, is irregular and infrequent.

**Prohibitions.**—Letters; manufactured gold and silver not of a certain degree of fineness; some pharmaceutical products and arsenic unless addressed to a State Pharmacy or to specially authorized persons; tobacco of all kinds, unless intended for the Administration of the tobacco monopoly (manufactured tobacco may, however, be imported by tobacco merchants). Articles made abroad which bear the name of a place, property, manufactory or tradesman in Sweden, or any marking in Swedish to explain the nature of the goods must bear the word "import" or the name and domicile of the foreign manufacturer, applied conspicuously and indelibly: Goods which do not comply with this regulation are confiscated.

**Observations.**—Parcels exceeding 1 kilogramme (2½ lb.) in weight are not delivered, except in Stockholm, but must be claimed at a Post Office. Express delivery in Sweden is confined to towns; and only the advice of the arrival of a parcel is delivered by special messenger.

**Prohibitions.**—Letters; newspapers and postcards intended for distribution; Italian and Greek ½, 1 and 2 franc pieces; glassware with Swiss Federal or Cantonal gauge marks; salt (unless with the permission of Cantonal authorities); alcohol (unless addressed to Federal authority) and other spirits, unless gross weight and percentage of alcohol are shown on the Customs declaration; earth compost; grapes addressed to places in the Canton Valais; grapes addressed to other parts of Switzerland (unless accompanied by a special permit from the Federal Department of Agriculture); vines and parts thereof; other plants and bulbs (unless accompanied by a phylloxera certificate—see April Guide, pp. 68 and 69—and a special permit from the Federal Department of Agriculture); birds of many kinds; meat prepared with colouring or preservative matter; fresh sausages and similar mixtures, and all fresh meat except sirloins of beef, ox-tongues and sweet-breads. Sausages made of dried meat must be made of meat only, without the addition of any other substance; preserved meat, in sealed receptacles, must be marked with the description of the contents and the name or trade mark of the manufacturer or vendor. All parcels containing meat must be accompanied by a certificate of origin and inspection of approved form. No frozen meat can be imported without previous permission. Poultry, fish, or game (including hares and rabbits) can only be sent whole.

**Observations.**—The Customs declarations for parcels for Switzerland must be made out in the French language. It is very desirable that this should be done by the sender whenever practicable. No compensation is given for damage in Switzerland to parcels containing liquids.

**Prohibitions.**—Letters; opium (except for medical purposes); poisons; prison-made goods; spirituous and intoxicating liquors of all kinds; animals, living or dead, except insects and reptiles when thoroughly dried; feathers and skins of wild birds (except ostrich feathers), unless intended for scientific or educational purposes; cigars and cigarettes, unless sent in quantities numbering at least 3,000 in a single package; potatoes, cotton lint (including all forms of unmanufactured cotton), cotton seeds and pods, living sugar canes or cuttings or parts of sugar canes, and all growing or living plants, seeds and other plant products for propagation (including bulbs, roots and tubers and the seeds of trees and shrubs, but not field, vegetable and flower seeds), unless addressed to and intended for the use of the Office of Foreign Seed and Plant Introduction, United States Department of Agriculture, Washington. Sealskins and articles wholly or in part made from them are not admissible, unless accompanied by American Consul's certificate of origin.

**Observations.**—No compensation is paid in respect of loss or damage of parcels or their contents. Parcels for transmission by the official service must not be sealed with wax, lead, or in any other manner, and must be packed so that they can easily be opened for Customs examination. Parcels closed by means of nails and screws are admitted.

Payment of Customs duty cannot be undertaken by the sender.

The value shown on the Customs Declaration must not be less than the market value in the United Kingdom. Under-valuation of parcels may involve their confiscation.

If the value of the goods (exclusive of papers such as stocks, bonds, etc., of no commercial value) contained in a parcel or in several parcels sent at the same time by one sender to the same addressee exceeds £20 10s. or 103 dollars, an invoice certified by a United States Consul must be furnished. To avoid delay it is desirable that this invoice should accompany the parcel or parcels, but the sender, if he prefers, may send it direct to the addressee; in either case the relative Customs Declaration should be suitably noted.

**Prohibitions.**—Letters; opium (except for medical purposes); prison-made goods; absinthe; wines and spirits (except in bottles—on which Customs duty will be charged as if each parcel contained not less than 12 bottles); feathers and skins of wild birds (except ostrich feathers), unless intended for scientific or educational purposes; cigars and cigarettes, unless sent in quantities numbering at least 3,000 in a single package (see Observations); potatoes, cotton lint (including all forms of unmanufactured cotton), cotton seeds and pods, living sugar canes or cuttings or parts of sugar canes, and all growing or living plants, seeds and other plant products for propagation (including bulbs, roots and tubers and the seeds of trees and shrubs, but not field, vegetable and flower seeds), unless addressed to and intended for the use of the Office of Foreign Seed and Plant Introduction, United States Department of Agriculture, Washington. Sealskins and articles wholly or in part made from them are not admissible unless accompanied by American Consul's certificate of origin.

**Observations.**—Consignments of tobacco, cigars and cigarettes should be sent in separate parcels and not packed with other articles.

The Customs tariff is high compared with that of other countries. When the sender wishes to undertake payment of the Customs and other charges a deposit of 1s. for every 4s. or fraction of 4s. of the value, with a minimum deposit of 5s., is required (see also April Guide, page 65). A separate customs declaration must be prepared for each parcel.

If the value of the goods (exclusive of papers such as stocks, bonds, etc., of no commercial value) contained in a parcel or in several parcels sent at the same time by one sender to the same addressee, exceeds £20 10s. or 100 dollars, an invoice certified by a United States Consul must be furnished. To avoid delay it is desirable that this invoice should accompany the parcel or parcels, but the sender, if he prefers, may send it direct to the addressee; in either case the relative Customs Declaration should be suitably noted.

(1) Parcels addressed to "New York," which is the name of a State, are subject to the higher rate of postage, unless the place is part of New York City and this is clearly indicated in the address.

(2) These times are liable to be exceeded in consequence of the United States Customs formalities.
