The Guide published in April, 1917, where not modified
by this Supplement, continues in force.

NOTICE.

The services are liable to modification or suspension in consequence of the War.

For the price of postcards, letter cards, wrappers, etc., see pages 11 and 12.

For poundage on foreign and colonial money orders see page 9.

The pages of the April Guide amended by this Supplement are shown in parentheses at the head of each section.

The method of addressing correspondence for delivery in the London districts is shown on page 50 of the April Guide.

EARLY POSTING.

In view of the restricted number of postal collections and deliveries now afforded throughout the Kingdom, it is particularly desirable that **LETTERS SHOULD BE POSTED AS EARLY IN THE DAY** as possible. In many rural districts there is only one delivery, and letters for such districts, unless posted in time for early evening mails, will not be delivered until the second day after posting. Early posting also facilitates the work of the Post Office Sorters, and, on account of the great depletion of staff for military purposes, this assistance will be much appreciated.

TELEGRAPH BUSINESS.

Restricted hours for telegraph business—see pages 135 and 136 of the April Guide—have been introduced at a number of offices since that Guide went to press. For particulars, see pages 12 to 53.

DELIVERY OF TELEGRAMS.

The prompt delivery of telegrams especially after dark is difficult on account of the scarcity of suitable boys and the general restrictions in the lighting arrangements. The special attention of senders and addressees of telegrams is drawn to the arrangements described at pages 87 and 88 of the April Guide for the delivery of telegrams by telephone.

The Post Office Guide (price 6d.) and the Supplement (price 3d.) can be purchased at any Post Office, through any bookseller, or from the Branches and Agencies of H.M. Stationery Office shown on the cover.

Applications for advertisement space should be addressed to Sell's Limited, 163, Fleet Street, London, E.C. 4.

All communications relating to the text of the Guide should be addressed to "The Secretary, General Post Office, E.C. 1," and should be marked outside "Post Office Guide."

After "share transfer notices" in the first list under the heading "Description of Document" insert "applications for employment."

(Page 11.)

After "voting papers" in the list under the heading "Description of Document" insert "testimonials."

(Pages 39 and 40.) Combination of Express Service and Railway Service (Week-days only).

Strike out the first paragraph and substitute the following :—

Letters not exceeding one ounce in weight sent for transmission by ordinary train or steamship, under the arrangement described above, may be handed in at any Express Delivery Office in the Provinces for immediate conveyance to the Railway Station by Special Messenger on payment of the Express fee of 8d. a mile, which must be prepaid in stamps affixed to a Post Office form. The train by which the letter is to be transmitted must be specified by the sender.

**(Page 47.) PREPAYMENT OF CORRESPONDENCE
IN MONEY.**

The hours for presenting correspondence for prepayment in money at Woolwich (B.O.) are now from 9 a.m. to 3 p.m. *In paragraph 2, after "Walham Green" in line 7, insert "Woolwich"; and delete the words "At Woolwich and" in lines 10 and 11.*

**FOREIGN AND COLONIAL
CORRESPONDENCE.**

(Page 60.)

Special Regulations as to certain Articles.

First paragraph, last line (type samples of unmanufactured tobacco) for "1s. 6d. Customs Duty" substitute "2s. Customs Duty."

(Pages 63 and 64.)

Customs and other Charges payable by Sender.

The second paragraph, commencing with the words "Parcels intended to be sent under this arrangement," should be revised so as to read "Parcels intended to be sent under this arrangement must, as a rule, be handed in at a Head or Branch Post Office. The sender must pay a fee of 6d., sign an undertaking to pay on demand the amount due, and make a deposit on account of the charges. In the case of parcels for Australia, Canada, New Zealand, Southern Rhodesia, South West Africa, the Union of South Africa or the United States of America, a deposit of 1s. for every 2s., or fraction of 2s., of the declared value of the parcel, with a minimum deposit of 5s., is required. In the case of parcels containing tobacco, cigars or cigarettes, and addressed to individual members of the French Army, the deposit is fixed at one-and-a-half times the declared value of the contents, with a minimum of 1s.; for any other destination abroad the deposit is 1s. for each 5s., or fraction of 5s., of the declared value, with a minimum deposit of 2s. A final settlement will take place when the amount due has been notified by the country of destination. An undertaking to pay charges under this arrangement cannot be accepted when the sender is residing only temporarily in the United Kingdom, or is unable to give a settled address in this country."

(Page 66.)

GENERAL POSTAL RULES.

PROHIBITED ARTICLES.

After paragraph 3 the following should be inserted :—

In addition there are various other articles which are now prohibited by Royal Proclamation from exportation from the United Kingdom except under the authority of a licence.

Particulars of these articles and any information respecting them can be obtained from the Secretary, War Trade Department, 4, Central Buildings, Westminster, S.W.1.

(Page 71.)

Insert before paragraph headed "Insurance":—

**REGISTERED (OR INSURED) LETTERS SENT
IN DUPLICATE OR TRIPPLICATE TO
PLACES ABROAD.**

The Post Office now accepts an original letter and its duplicate together, and retains the duplicate for despatch by a ship other than that conveying the original, under the conditions described below. The system applies to any country abroad.

A sender who wishes to use the system must proceed as follows:—

He must put the original and the duplicate into covers addressed in the ordinary way, and affix to each stamps sufficient for the postage and for the usual registration fee of 2d. In addition, he must mark the duplicate "duplicate," and affix to it stamps to the value of 6d. as a special fee.

Both letters must then be put in an outer envelope, bearing one of the two following addresses as the case may be:—

(a) If the letters are for any country in America, for Liberia, or for any British Colony on the West Coast of Africa:—

Urgent Duplicate Letters,
The Superintendent on Duty,
Sorting Office,
Post Office,
Liverpool.

(b) If the letters are for any other country:—

Urgent Duplicate Letters,
The Superintendent on Duty,
Registered Letter Section,
King Edward Building,
General Post Office,
London, E.C. 1.

Postage stamps sufficient for the inland postage and for the registration fee of 2d. must be put on this envelope, which must then be posted in the ordinary way as a registered letter at any Post Office.

On receipt by the Superintendent both the enclosed letters will be registered, and certificates of posting will be sent forthwith to the sender (who should enclose for the purpose an envelope bearing his full name and postal address).

The original will then be despatched by the first available Mail by any route, the duplicate being retained by the Post Office for despatch by the next available Mail thereafter. Senders are recommended not to mark correspondence posted under this system for despatch by a particular route; but in the case of correspondence so marked, the sender's wishes will be observed as far as possible where no inconvenience or delay would result.

Several sets of originals and duplicates may be sent to the Superintendent in a single cover.

The arrangement is not confined to actual duplicates; for instance, letters containing a first and second of exchange, or the two halves of a banknote, may be sent under the system. One of the two letters must be marked "duplicate," and must bear the special fee of sixpence.

The system may be used for letters sent in triplicate; in that case, one of the three must be marked "duplicate" and one "triplicate," and both the duplicate and the triplicate must bear a special fee of sixpence.

Letters for places against which a limit of insured value is entered in col. 6 of the Table of Rates on pages 596 to 651 will, if duly prepared and stamped, be sent forward insured, subject to the limitations shown in col. 9 of the Table.

(Page 76.)

COMPENSATION FOR LOSS OR DAMAGE OF UNINSURED PARCELS.

Insert "Federated Malay States" between "Falkland Islands" and "Gambia" in list of British Possessions.

(Page 77.)

INTERNATIONAL EXPRESS SERVICE.

General Correspondence.

*Insert "*Libya" between "Liberia" and "Mauritius" and add a footnote "*No service to Libya."*

(Page 85.)

INLAND TELEGRAMS.

Delete the second paragraph, beginning "Initial letters," and substitute the following:—Initial letters are each counted as one word, but exceptionally the initials of the London Postal Districts, for example, "S.W." are counted as one word for each group. Postal District numbers included in the addresses of telegrams are chargeable as one word each. The letters a.m. and p.m. are counted as one word for each group, and the letters "H.M.S." are also counted as one word in the address of an Inland Telegram intended for one of His Majesty's ships.

(Page 86.)

Mode of Delivery and Portage Charges.

Paragraph 8. Delete last sentence:—"For portage arrangements on weekly half-holidays and Bank Holidays, see pages 185 and 189." Substitute:—"For portage arrangements on weekly half-holidays, see page 185."

(Page 87.)

Addresses.

*Line 9 to end of page. Delete "Telegrams for London" to "sufficient for telegrams," and substitute the following:—*Telegrams for London should contain in the address the word "London," or alternatively the initials of the London Postal District (for example, "E.C." "S.W.") supplemented by the name of the locality if the name of the street is duplicated in the same Postal District, thus: King Street, Hammersmith, W. Exceptionally, the word "London" (or the initials of the Postal District) may be omitted from the address of a telegram for a well-known street or locality at the risk of the sender. Telegraph Delivery Offices do not always correspond with Postal Delivery Offices, and the Postal District numbers appropriate for letters are not required in the addresses of telegrams.

An address ordinarily used for letters is not necessarily correct or sufficient for telegrams.

(Page 88.) **Registered Abbreviated Addresses.**

Delete last two sentences of first paragraph:—"Telegrams directed to" to "without charge." *Substitute the following:—*Telegrams directed to registered addresses can be delivered to subscribers by telephone. In London the indicator "Phone" denotes telephonic delivery from the Central Telegraph Office and registrants, after notifying the Secretary, General Post Office, London, E.C. 1, should substitute "Phone" for their local Indicator or use the Indicator "Phone" in place of the local indicator in order to obtain delivery by telephone of occasional telegrams. Confirmatory copies will be sent by post in daily batches without charge.

(Page 89.) **Multiple Address Telegrams.**

*Lines 6 to 10. Delete "Each London Postal District" to "paid for." Substitute:—*Each London Postal District, for example, the District called "South Western," is regarded for the purpose as forming a separate delivery; and when a multiple address telegram for London is directed to one or more registered abbreviated addresses the District initials must be inserted after each registered address and must be paid for. The Postal District numbers appropriate for letters are not required.

(Page 89.)

Redirection.

*Lines 10 and 11. Delete "Each London Postal District is considered for this purpose as a separate town." Substitute:—*Each London Postal District, for example, the whole district called "South Western," is considered for this purpose as a separate town.

(Page 90.)

Lines 10 to 12. Delete "If, however, he redirects it to an address in a different town (each London Postal District being considered for

this purpose a separate town) he must pay the full inland rate for the retransmission." *Substitute*:—If, however, he redirects it to an address in a different town (each London Postal District, for example, the whole district called "South Western," is considered for this purpose a separate town), he must pay the full inland rate for the retransmission.

(Page 98.)

SPECIAL (EFM) WEEK-END LETTER TELEGRAMS FROM AND TO HIS MAJESTY'S FORCES.

Add at end:—A similar service is in operation with the United States for members of the American Forces; *and alter heading to read*:—"Special (EFM) Week-End Letter Telegrams from and to the Forces."

(Pages 102–3.) **RADIOTELEGRAMS.**

Delete all the particulars under the heading "Radiotelegrams," and substitute the following:—

Suspension of Service.

The Radiotelegraph service to and from ships is suspended until further notice, except as regards Government messages. The suspension applies to the transmission of radiotelegrams through Coast stations abroad as well as to their transmission through stations in the United Kingdom.

FOREIGN AND COLONIAL MONEY ORDERS.

(Page 113.) *The subjoined information should be substituted for that appearing under the heading "Rates of Poundage"*:—
