(Pages 45, 46 and 47.)

**PRIVATE BOXES AND BAGS.**

*Cancel* paragraphs under above heading and *substitute* as follows :—

*Town Districts.*

(i.e., generally speaking districts with as many as three deliveries on week-days).

The charge for a Private Box is as follows :—

- |   |                 |
|---|-----------------|
| I. At any Delivery Office in London, at any Provincial Head, Branch or District Office which is a Delivery Office, and at any salaried Sub-Office .. .. . | £3 10s. a year. |
| II. At any other Sub-Office .. .. .   | £2 a year.      |

If delivery is desired at or after 6 a.m. and before the time of commencement of the first delivery or the hour of opening the office (whichever is earlier) a double fee is payable. If delivery is desired after the public office is closed at night (or after 9 p.m. at any office open after that hour) or before 6 a.m. a Night Box must be rented. The rent for a Night Box is double that for an ordinary Day Box, and is in addition to the ordinary fee for a Day Box when such is used.

The charge for a Private Bag (which must be privately conveyed to and from the Post Office) is 30s. a year, irrespective of weight or the number of times made up daily. Except when the Bag is used only for the posting of letters, the fee for a Private Box as well as for a Private Bag must be paid.

A Private Box or Bag may be used either for parcels or for other correspondence, but if used for both purposes a double fee is payable.

*Rural Districts.*

The charge to a resident in a Rural District for calling for letters at the proper Delivery Office (in preference to delivery by the Post

Office) is 30s. a year, whether or not the caller uses a Private Bag. If a caller requires a Private Bag to be made up more than once a day an additional fee of £1 a year will be charged for each additional making up. If the Bag is used more than once a day for posting no extra charge is made.

If delivery is desired at or after 6 a.m. and before the time of commencement of the first delivery or the hour of opening the office (whichever is earlier) a double fee is payable.

The charges for a Private Bag conveyed by the Post Office are as follows:--

	Weight when empty.	
	Up to 1½ lb.	Up to 2½ lb.
For each making up for delivery .. .. .	A year. £1	A year. £1
For each receipt at the office with letters for the post .. .. .	10s.	10s.
For each conveyance by the Post Office in one direction (either out or in) .. .. .	7s. 6d.	15s.

Bags over 2½ lb. in weight when empty are not conveyed by the Post Office.

The minimum annual fee for a Private Bag used the whole year round, even if used only for posting or only for delivery, is 30s. exclusive of any fee for conveyance.

If in the course of conveyance by the Post Office the Bag is left at a Sub-Office to be called for by the owner or by the postman who collects or delivers it, an additional fee of 7s. 6d. a year is payable.

A Rural Private Bag may be used for all correspondence, including parcels, without extra charge.

### Private Boxes and Bags for Sunday use.

A private box may be rented for use on Sundays only for the purpose of obtaining correspondence when the office is ordinarily closed for callers; but correspondence can only be obtained during the hours of attendance of the staff. The charge for a Sunday Box in London for use during the day or night, or in a provincial town for use during the night, is two-thirds of the fee for an ordinary Private Box. In provincial towns when the call is made in the day-time only, the charge is 15s. a year. A resident in a Rural District who has no Sunday delivery may rent a private bag to be called for on Sundays only when the office is open for public business, on payment of one-third of the usual fee.

(Page 47.)

### PREPAYMENT IN MONEY.

Delete paragraph 2. Substitute the following:--

It is a great advantage to the Post Office to receive these special postings, especially when in large numbers, early in the day. At all the London Offices mentioned in the previous paragraph correspondence to be prepaid in money must be presented at the counters between 9 a.m. and 3 p.m. At Provincial towns the hours of posting are from 10 a.m. to 4 p.m.

## FOREIGN AND COLONIAL CORRESPONDENCE.

(Page 52.)

*After "For miscellaneous information concerning both Inland and Foreign Post, see pages 49 to 51," and before "LETTERS" insert as a new paragraph:—*

### Post Office Daily List.

The latest information as to the despatch and arrival of Foreign and Colonial Mails, &c., is given in the Post Office Daily List.

The annual subscription (payable in advance) for this List is £1 10s. for a daily copy or 7s. 6d. for a weekly copy. The subscription can be paid at any Head Post Office in the United Kingdom.

(Page 53.)

### POST-CARDS.

*The fourth paragraph ("Official Inland Post-cards...") should be altered to read "Official Inland single Post-cards (but not reply-paid cards) may be used for destinations outside the United Kingdom."*

(Page 60.)

### SAMPLES.

#### Special Regulations as to Certain Articles.

*After paragraph 2 the following should be inserted:—Samples of Tea not exceeding 8 oz. in gross weight can be imported, provided that the packets are plainly marked as containing tea. Each packet, exceeding 2 oz. in gross weight, is liable to a charge of 3d. Customs Duty. Packets of tea exceeding 8 oz. in gross weight, and sent by Sample Post from abroad, are liable to forfeiture by the Customs.*

(Page 62.)

### PARCELS.

#### Customs Duty and Charges on Delivery.

*Insert before "All parcels are liable to be opened . . .":—*

#### Parcels from Places Abroad for Delivery in the United Kingdom.

Every parcel received from a place abroad is subject to examination by the British Customs; and those containing dutiable articles are liable to charges calculated in accordance with the British Customs tariff for the time being in force. Except in the case of *ad valorem* duties and the specific duties on cinematograph films, such charges are collected by the Post Office on behalf of the Commissioners of Customs and Excise, and must be paid to the postman before the parcels are handed over to the addressee. A fee of 2d. for clearance through the Customs, is charged on every such parcel.

Any application in regard to British Customs charges raised on parcels from a place abroad should be addressed to the Customs

Surveyor at the town indicated in the date-stamp impression on the charge label (F. & C.P.P. No. 6 or F. & C.P.P. No. 19) affixed to the parcel, and should be accompanied by that portion of the cover bearing the address and the charge labels.

(Page 66.)

## GENERAL POSTAL RULES.

### PROHIBITED ARTICLES.

The *sixth paragraph*, relating to the posting of parcels, insured boxes and sample packets, under War Office permit, *should be deleted*.

(Pages 68 and 69.)

### UNDELIVERED CORRESPONDENCE.

*Delete the first paragraph*:—"Undelivered postal packets of all kinds . . . to the postage originally payable," and *substitute the following*:—

#### "Letters, Post-cards, Printed and Commercial Papers and Samples.

Undelivered correspondence of these kinds returned to this country from places abroad is, as a general rule, disposed of in the same manner as undelivered inland correspondence on which the same amounts of postage are chargeable (*see* page 24 in July Guide). Packets sent to Canada and Newfoundland by Magazine Post are charged on return with further postage equal to the postage originally payable."

(Page 79.)

### INTERNATIONAL EXPRESS SERVICE.

#### General Correspondence.

*Delete* "Algeria" and "France" from the list of countries participating in the International Express Service.

### INLAND TELEGRAMS.

(Page 88.)      **Delivery by Telephone.**

(Page 89.)      **Prepayment of Replies.**

*Line 4. Add after "Postmaster"*:—

When a reply-paid telegram is delivered by telephone and a reply is dictated at once the Form is used to frank the reply; but if a reply is not so sent the Form is posted with the confirmatory copy of the telegram, and it may be used in part payment of the subscriber's telephone account.

**(Page 90.) Registered Abbreviated Addresses.**

*Add to second paragraph* :—A fee of one shilling is charged for recording a change of address but the record may be cancelled and the original address resumed without further charge.

*Add to third paragraph* :—No charge is made to a registrant for recording instructions for the delivery by telephone of telegrams bearing his registered address.

**(Page 91.) Redirection.**
