An Air Mail Service is in operation between London and Paris, for the conveyance of correspondence addressed to Paris, France generally, Italy, Spain, Switzerland, &c.

Registered and unregistered letters, postcards, packets of printed papers and commercial papers, and samples can be accepted for transmission. Parcels and insured correspondence cannot be accepted. A special fee at the rate of 2s. 6d. per ounce is charged in addition to the ordinary foreign postage and registration fee, where payable.

Correspondence for transmission by the Air Mail Service is accepted daily (except Sundays) at the London Post Offices indicated below. Letters must be handed over the counter, and the latest times of posting are as follows:—

The correspondence is conveyed to Paris by aeroplane, arriving in normal conditions in time for delivery in Paris in business hours the same day.

Correspondence for places beyond Paris is forwarded by the next available train. Correspondence for places in France is delivered by express on arrival at the office of destination; correspondence for countries beyond France is normally accelerated by 24 hours.

In the inward direction, correspondence posted in Paris in the morning will normally reach London in time for delivery in Central London (i.e., E.C., W.C., E. 1, N. 1, N.W. 1, W. 1, W. 2, S.W. 1, and S.E. 1), during business hours on the same day. It will be delivered immediately on arrival by express messenger without additional

charge. Correspondence for Provincial towns will be forwarded by the next despatch from London.

If it is known in advance that flight will be impossible on any particular day, a notice to that effect will be exhibited at the offices mentioned above.

CASH ON DELIVERY SERVICE.

Delete the whole entry and substitute the following :—

CASH ON DELIVERY SERVICE.

This arrangement for collecting from the recipient, for remittance to the sender by special Card Money Order, the value of articles sent by Parcel Post, is in operation between the United Kingdom and the places specified in the Table on page 740. The amount to be collected under the Cash on Delivery System is called the "Trade Charge." The Trade Charge on any one parcel may in no case exceed £40. Parcels on which Trade Charges are to be collected must be posted as a rule at a Head or Branch Post Office. If the insurance of a Cash on Delivery parcel is desired, the ordinary regulations for insurance must be observed.

Special Conditions to be observed by the senders of Cash on Delivery parcels from the United Kingdom.

1. The sender must furnish, on the cover of the parcel, or on a label affixed to the cover, his name and address and the word "Rem-boursement" followed by the amount in British currency of the Trade Charge. These particulars may be furnished on the back of the parcel if there is not room for them to be shown clearly on the front. No erasure or alteration of the entry of the money is allowed. An incorrect entry must be completely obliterated and a fresh entry made. In services in which Despatch Notes are used, a separate

Despatch Note must be prepared for each Cash on Delivery parcel ; and the amount of the Trade Charge must be entered in the space provided for the purpose.

2. The sender must indicate on the parcel and the relative Despatch Note (or the adhesive Customs Declaration in the case of parcels unaccompanied by Despatch Notes) whether, if the parcel is undeliverable as addressed, it should be (a) abandoned, or (b) delivered at a second address. No other alternative is permissible ; and, in particular, a request for delivery at a second address without payment of the Trade Charge cannot be accepted. In the absence of a definite request for abandonment, a parcel which is undeliverable at the original address, or at the alternative address if one is furnished, is returned to the sender at his expense, without previous notification.

3. The sender must fill up a special Trade Charge Card with all the particulars required on the card, except the number of the parcel and those in the space headed "Service Instructions." No erasure or alteration of the entry of the amount of the Trade Charge is allowed. If the sender desires to correct the entry of the amount he must make out a fresh card. The Trade Charge Card will eventually be returned to the sender as a Money Order for the full amount entered on it and on the relative parcel by the sender.

4. The sender must prepay, by means of postage stamps affixed to the parcel, a special Cash on Delivery fee calculated as follows :—

Trade Charge not exceeding	Fee.	Trade Charge not exceeding	Fee.
£	s. d.	£	s. d.
1	4½	21	4 6½
2	7	22	4 9
3	9½	23	4 11½
4	1 0	24	5 2
5	1 2½	25	5 4½
6	1 5	26	5 7
7	1 7½	27	5 9½
8	1 10	28	6 0
9	2 0½	29	6 2½
10	2 3	30	6 5
11	2 5½	31	6 7½
12	2 8	32	6 10
13	2 10½	33	7 0½
14	3 1	34	7 3
15	3 3½	35	7 5½
16	3 6	36	7 8
17	3 8½	37	7 10½
18	3 11	38	8 1
19	4 1½	39	8 3½
20	4 4	40	8 6

This fee is in every case additional to the ordinary postage and other charges (for express delivery, insurance, advice of delivery, &c.) which must be prepaid in the ordinary way.

5. The sender must hand the parcel in at a Post Office authorized to transact Cash on Delivery business (generally a Head or Branch Office), where he must obtain a Certificate of Posting, of which the production may be required as a condition of payment of the Trade Charge Money Order.

A Delivery Fee will be charged in certain countries abroad for the delivery service. This fee, of which particulars are furnished in the Table at page 740, is collected from the addressee of the parcel; and no deduction in respect of it is made from the amount of the Trade Charge Money Order.

Cash on Delivery Parcels received in the United Kingdom from the Countries participating in the Service will be delivered by postmen in the ordinary way, except that, if the Trade Charge exceeds £5, the parcel will be kept at the Post Office to be called for, notice of its arrival being sent to the addressee.

The Postman is strictly forbidden to give up a Cash on Delivery parcel, or to open it at the request of the addressee, or to allow the addressee to open it until the Trade Charge and any other charges due have been paid.

A delivery fee of 4*d.*, in addition to the amount of the Trade Charge, will be collected from the addressee of a Cash on Delivery parcel received from a place abroad. The amount of the Trade Charge collected will be remitted to the sender of the parcel without deduction.

If the Trade Charge is not paid on demand, the postman will take the parcel back to the Post Office of delivery, from which a notice will be sent to the addressee. If, in reply to this notice, the addressee so requests, the parcel will be presented again at a subsequent delivery, subject to an additional fee of 2*d.*, which will be collected from the addressee. In the absence of instructions for a second presentation of the parcel, or in default of payment on the second occasion, the parcel will be kept at the Post Office for 15 days, exclusive of the day of arrival, and, if not called for in the interval, will be treated as undeliverable.

No receipt for a Trade Charge will be given.

Cheques will not be accepted in payment of Trade Charges.

When the Trade Charge has been collected, the Post Office undertakes the responsibility for the due remittance of the amount to the sender of the parcel; and, therefore, a Trade Charge, once collected, will in no circumstances be refunded to the addressee.

Parcels on which Trade Charges are to be collected will, in other respects than those above specified, be treated like other parcels, e.g., as regards insurance and compensation.

(Page 92.) INLAND TELEGRAMS.

Messages telegraphed for Inclusion in Outgoing Mails.

Telegrams may be sent to certain ports for onward transmission as letters. The sender must write "post" (which will not be charged for) before the addressee's name and the name of the terminal Telegraph Office at the end of the address. For example: "Post, Brown, 12, Fifth Avenue, New York, Liverpool." Thus a telegram of 24 words to be sent by post from Liverpool to New York should be prepaid 1*s.* 5*d.*, *viz.*, 1*s.* 8½*d.* for the telegram (including ½*d.* for the name of Liverpool) and 1½*d.* for postage. In such cases a registered address cannot be used.

(Page 94.)

Miscellaneous Regulations.*Cancel* the fourth paragraph, and *substitute* the following:—

The name and address of the sender of a telegram, if not to be telegraphed, should be written on the back of the form, so that in the event of non-delivery the sender may be advised.

(Page 95.)

FOREIGN AND COLONIAL TELEGRAMS.

Delete the first paragraph, *i.e.* from "All telegrams" down to "their disposal."

Delete the section headed "Plain language; Code language."
Substitute the following:—

Plain language; Code language; Cypher.

Telegrams are accepted without restriction to most places abroad. A few countries, however, still maintain restrictions, of which particulars may be obtained at any Post Office.

(Page 96.)

Delete the first four paragraphs, *i.e.* from "Telegrams written ..." down to "... are prohibited."

(Page 97.) **Addresses of Telegrams.**

Delete the first four paragraphs, *i.e.* from "Telegrams should..." down to "... charged for," and *substitute* a paragraph as follows:—

The address must be paid for, and must in no case consist of less than two words. When it is expressed in two words, the first should designate the addressee, and the second should be the name of the telegraph office of destination. Such abbreviated addresses should be registered at the office of destination.

(Page 98.)

Delete the third paragraph, *i.e.* from "All telegrams..." down to "paid for."

Prepaid Replies.†

Insert the words "and North Russia" after "Mesopotamia" in the second line of the first paragraph.

(Page 99.)

Repetition at Request of Sender to Ensure Accuracy.

The second paragraph should stand as follows:—

"Repetition is desirable for all telegrams in code or cypher."

Repetition at Request of Addressee to Detect Errors.

Delete the words "and subject to censorship" after "Delivery Office" in the second line of the first paragraph.

(Page 100.)

Mixed Postal and Telegraph Service.

Delete the third paragraph, *i.e.* from "Messages cannot be telegraphed" down to "for inclusion in Outgoing Mails."

Insert between the paragraphs headed "Special Delivery" and "Telegrams to Follow the Addressee" the following paragraph:—

Notice of Delivery.

On payment of an additional rate for five words, the sender may have a notice of the time at which his telegram was delivered transmitted to him by telegraph. In that case "P.C.," which is charged for as one word, must be inserted before the address of destination. The information will be given by post on payment of a fee of 2½*d.*, and of the charge for one additional word for the expression "P.C.P." before the address. This arrangement does not at present apply to telegrams for Italy and Italian Possessions, or Turkey.

TELEGRAMS (WSM) CONCERNING SICK OR WOUNDED MEMBERS OF THE FORCES OUTSIDE OF EUROPE AND IN THE MEDITERRANEAN.

Delete the notice under this heading.

(Paragraph 8.) Private Radiotelegrams.

Delete the following from the list of waters for which private radiotelegrams are not accepted:—"North Sea," "English Channel east of a line joining Dungeness and Boulogne," "Northern Russian waters," and "Mediterranean."

Charges.—(1.)

Alter the heading of the first paragraph as to Charges to read as follows:—

Charges.—(1.) For Radiotelegrams for transmission through coast stations in the United Kingdom (except Poldhu.—As regards this station see paragraph headed Long-Distance Communication).

(Pages 103–104.) Address.

After the paragraph headed "**Address**" *insert* paragraph as follows:—

Long-Distance Communication.— Radiotelegrams are accepted for transmission through the Marconi Company's station at Poldhu to ships which are not within range of any other British coast station. The Poldhu station communicates with ships at night only, and its range is about 1,500 miles.

The charge is 2s. 6d. a word, plus the ship charge, which is usually 4d. a word. Such radiotelegrams must bear the name of the station "Poldhu" in the address.

(Page 104.)**Counting of Words, etc.**

Add the following sentence at the end of the section, headed "**Counting of Words**":—

The name of the coast station in the address of a radiotelegram when written in the form given in the list at pages 769–778 also counts as one word.

(Page 114.)**FOREIGN AND COLONIAL MONEY ORDERS.****Rates of Poundage.**

Insert after "Japan, etc.," in section (a), and before "Portugal":—
"Palestine and Syria."

Delete the entry "Russia (Murmansk and Archangel only)."

Cancel entry under (b) and substitute the following:—

- | | | |
|---|---|--|
| (b) For Orders payable in all Foreign Countries
(except United States) not mentioned
under (a). | } | 4d. for every £1
or fraction of £1. |

(Page 117.)**FOREIGN AND COLONIAL TELEGRAPH MONEY ORDERS.****Charges for Telegraph Money Orders payable Abroad.**

In Section (1) *add* after "see page 114" the words "and back of cover of current Supplement."

(Page 119.)**POSTAL ORDERS.****Places of Issue and Payment.**

Re-insert "Palestine (occupied districts)."
