A lining of suitable material must be placed between the upper edges of the box and the lid; and the lid must be firmly screwed down. A white label bearing the word "Films" or "Celluloid," as the case may be, in plain black letters, should be affixed to the parcel and to the despatch note, when one is used. In the case of parcels intended for conveyance by French Packet there must also be an inner box of cardboard, and a large red label bearing the word "Celluloid" in very distinct black letters must be affixed to each parcel and despatch note.

LETTERS AND PARCELS ADDRESSED TO PERSONS SERVING WITH HIS MAJESTY'S FORCES AT HOME OR ABROAD.

Cancel section from "Rates of Postage" (page 83) to "enquiry at any Post Office" (page 81). Substitute under same heading:

I. His Majesty's Forces stationed in the British Islands.

The ordinary inland rates of postage apply to all kinds of postal packets.

II. His Majesty's Ships in Home Waters.

The ordinary inland rates of postage apply to all kinds of postal packets.

Postal packets should be addressed to the port in the British Islands at which the ship is lying or for which she is bound. When the address is not known with certainty, the packet should be addressed:—

"H.M.S. (name of Ship),
c/o G.P.O.

London, E.C. 1."

but the use of the proper postal address for ships in Home Waters will generally result in earlier delivery.

Neither letters nor parcels should be addressed "c/o Admiralty."

III. His Majesty's Forces Abroad.

(i.) Letters, Postcards, &c.

Rates of Postage.

Letters.—Generally speaking the rate for letters is the ordinary rate for the country of destination, as shown in Column 2 of the Tables at pages 606-661, but the rate for letters to the Army of the Rhine, the Army of the Black Sea and troops in Palestine, is 2*d.* for the first ounce, and 1*d.* for each succeeding ounce.

Postcards 1*d.* each.
Newspapers and Printed Papers..... ½*d.* per 2 ounces.

(ii.) **Parcels** for soldiers in France, Flanders, the Army of the Rhine, the Army of the Black Sea or Mesopotamia must be prepaid as for civil addresses in France, Belgium, Germany, Constantinople or Mesopotamia respectively, and those for soldiers in the Egyptian Expeditionary Force or Palestine must be prepaid as for civil addresses in Egypt. (See pages 664-729.)

Parcels for soldiers in France and Flanders only are required to be accompanied with Customs Declaration Forms and Despatch Notes.

A parcel retransmitted by post from the address to which it is sent is liable to a charge for redirection.

IV. His Majesty's Ships Outside Home Waters.

(i.) Letters, Postcards, &c.

Rates of Postage.

Letters..... 2*d.* for the first ounce and 1*d.* for each succeeding ounce.

Postcards 1*d.* each.
Newspapers and Printed Papers..... ½*d.* per 2 ounces.

Such postal packets are dealt with in accordance with lists of addresses furnished from time to time by the Admiralty, and should be addressed:—

“ H.M.S. (name of Ship),
c/o G.P.O.,
London, E.C. 1.”

They should not be addressed “c/o Admiralty.”

(ii.) Parcels.

1. Parcels for any of H.M. Ships abroad must, with the exceptions set forth in paragraphs 2, 3 and 4 below, be addressed to the port at which the ship is lying or for which she is bound, and must be prepaid at the rate applicable to parcels for that place. If, in consequence of the departure of the ship from port, a parcel has to be redirected, the ordinary redirection charges must be paid before the parcel can be delivered to the addressee.

2. When the Atlantic Fleet—including the First and Second Battle Squadrons, the Battle Cruiser Squadron, the First and Second Light Cruiser Squadrons and the Atlantic Fleet Destroyer and Submarine Flotillas—is in Foreign Waters, parcels intended for that Fleet may be addressed “c/o G.P.O., London, E.C. 1,” and prepaid at the inland rate. Such parcels will be accumulated and transferred, as opportunity offers, to any of H.M. Ships proceeding from Home to join the Atlantic Fleet.

The Admiralty and the Post Office, however, accept no responsibility for any delay or damage which parcels addressed in this manner may suffer; and it is desirable that parcels should be so addressed only when it is known that a ship by which they can be sent is about to leave home.

3. Parcels for H.M. Ships on the Mediterranean Station addressed to and prepaid at the rate of postage for Malta will, if necessary, be reforwarded from Malta to their proper destinations by H.M. Ships as opportunity offers, without further charge.

4. Parcels for H.M. Ships abroad, other than those mentioned in paragraphs 2 and 3 will be accepted if addressed and prepaid as follows:—

For the China Station	Prepaid as for	Hong Kong.
“ Australian Station	“	Australia.
“ Africa Station	“	The Cape of Good Hope.
“ East Indies Station	“	Bombay.
“ North America and West Indies-Stn.	“	Bermuda.
“ South American Station	“	Monte Video.
“ West Coast of Africa	“	Sierra Leone.
“ New Zealand Station	“	New Zealand.

In these cases the parcels will be forwarded to Hong Kong, Australia, &c., as the case may be. If retransmitted thence by post, they will be liable to redirection charges.

5. Parcels may not be addressed "c/o Admiralty," but in cases of doubt application may be made to the Admiralty (Movements Section) in writing, for the address to which a parcel for one of H.M. Ships should be sent. As, however, the addresses of H.M. Ships are liable to alteration at short notice, such application should not be made until a few days before it is desired to send a parcel.

(Page 85.)

INLAND TELEGRAMS.

Cancel the first paragraph, and *substitute* the following:—

The charge is 1s. for the first 12 words, including the address, and 1d. for every additional word. Telegrams handed in on Sundays, Good Friday and Christmas Day will be charged 6d. extra.

(Page 87.)

Telegram Forms and Mode of Payment.

Cancel the second paragraph, and *substitute* the following:—

Forms with embossed stamps can be obtained singly; or, in books of 20, interleaved and with a sheet of carbonic paper, price 20s. 8d.

Last paragraph, Line 2, *Delete* "8d.," *Substitute* "6d."

(Page 87.)

Mode of Delivery and Portage Charges.

Cancel the second paragraph, and *substitute* the following:—

When the address is beyond the limit of free delivery, portage is charged at the rate of 6d. a mile or part of a mile, the distance being calculated from the limit of free delivery.

(Pages 88 and 89.)

Prepayment of Replies.

Add a paragraph as follows:—

Reply telegrams handed in on Sundays, Good Friday and Christmas Day will be charged 6d. extra, unless this amount has been prepaid by the sender of the original telegram, in which event the reply form will be marked on the back "Sunday Rate Prepaid."

(Page 90.)

Registered Abbreviated Addresses.

Cancel the first sentence, and *substitute* the following:—

Any person may register an abbreviated or arbitrary address on payment of a registration fee of £2 a year, dating from the day of registration.

Cancel second paragraph. *Substitute* the following : .

Special instructions relating to the delivery of telegrams bearing a registered address can be given on payment of 5s. for each separate instruction. The fee for officially recording a change in the address at which telegrams bearing a registered abbreviated address are delivered is 1s., but the record may be cancelled and the original address resumed without further charge.

Third paragraph. *Amend* second sentence to read :—

“In London the indicator ‘Phone’ denotes telephonic delivery from the Central Telegraph Office, and registrants, after notifying the Controller, Central Telegraph Office, should substitute,” etc.

Multiple Address Telegrams.

Cancel the first sentence, and *substitute* the following :—

A telegram will be delivered at two or more addresses in the same free delivery on prepayment of the ordinary telegram charges for the total number of words in the addresses and text in addition to a charge of fourpence for every copy beyond the first.

(Page 91.) Repetition of Telegrams.

Delete “a fraction of a halfpenny being reckoned as a halfpenny” from the first paragraph.

Cancel the second paragraph, and *substitute* the following :—

If the receiver of a telegram doubts its accuracy he may have it repeated by paying half the amount paid for its transmission to him. Should he require only a portion of the message to be repeated, a payment must be made at the half rate sufficient to cover the number of words to be repeated. For example, if 20 words in a message of 40 words are to be repeated the payment would be 10d. The minimum charge, however, for repetition (even of a single word) is 6d. The money will be refunded if it should turn out that the original telegram was incorrectly transmitted.

(Page 91.) Re-direction.

Cancel the first paragraph, and *substitute* the following :—

Telegrams can be redirected to a second address either by an Officer of the Post Office or by an agent of the addressee. The charges for officially recording instructions to re-direct telegrams are 1s. for a record of one week, 2s. 6d. for a month, and £1 1s. for a year. When official re-direction of telegrams is required, a notice to that effect must be given and the appropriate fee paid in advance; printed forms can be obtained from the local Postmaster. If telegrams bearing a registered address are to be re-directed as well as fully addressed telegrams an additional fee of 1s., whether the removal is temporary or permanent, must be paid. The person making the request is responsible for any charges that may

be incurred. Re-directed telegrams are liable, if any additional service is performed, to an additional charge of 1s. if the two addresses are within the same town; but if the addresses are in different towns the full inland rate is charged for the re-direction of fully addressed telegrams. Each London Postal District, for example, the whole district called "South Western" is considered for this purpose as a separate town. Telegrams re-directed on Sundays, Good Friday, or Christmas Day will be charged 6d. extra.

Cancel the first four lines of the fourth paragraph, and *substitute* the following:—

Should the sender, upon being informed that his telegram cannot be delivered because the addressee is unknown, require the telegram to be presented a second time at the same address, or redirected to another address in the same town, he must pay a further fee of 1s.

(Page 92).

Messages telegraphed for Inclusion in Outgoing Mails.

Cancel penultimate sentence, and *substitute* the following:—

Thus, a telegram of 24 words to be sent by post from Liverpool to New York should be prepaid 2s. 8d., viz., 2s. 1d. for the telegram (including 1d. for the name of Liverpool) and 2d. for postage.

Meteorological Telegrams and Telephone Enquiries.

The latest information as to the state of the weather in various parts of the United Kingdom or the Continent, and also forecasts to cover a period of 24 hours from the time of issue, can be obtained by telegraph from the Meteorological Office by sending a reply-paid telegram. The number of words to be paid for in the reply is to be arrived at by adding 10 to the number of words required for the applicant's address. Thus if there were 5 words in the applicant's address, a reply of 15 words must be paid for. If a further outlook of the probable conditions beyond the period of 24 hours is also desired, an additional 10 words must be paid for.

Forecasts can also be obtained at any time by telephone if a sum has been previously deposited at the Meteorological Office, Kingsway, W.C. 2, to cover the charges, which are 3*d.* for each forecast telephoned. Telephone enquiries should be made to Regent 8000, Extension 174.

The Meteorological Office is open day and night, including Sundays, and its telegraphic address is "Weather, Estrand, London."

Forecasts are prepared at 3 a.m., 9 a.m., 3 p.m., and 8 p.m. daily, G.M.T. When Summer Time is in operation, forecasts are prepared half-an-hour later by the clock, viz., 3.30 a.m., etc.
