## MEMORANDUM.

The date of Lieutenant Andrew Baxter's commission, in the 86th Foot, is 14th December 1847, instead of 13th January 1847.

## TREASURY WARRANT.

WHEREAS by an Act, passed in the fourth year of the reign of Her present Majesty, intituled "An Act for the regulation of the Duties of Postage," the Postmaster-General is authorized to charge on all letters conveyed by packet-boats between one port in any foreign country and another port in the same or any other foreign country, where post communications shall be established, such rates of postage as the Commissioners of Her Majesty's Treasury, by warrant under their hands, shall from time to time direct.

Now, we the undersigned, being two of the Commissioners of Her Majesty's Treasury, do, in exercise of the power and authority in us for such purpose vested in and by the said Act, and of all other powers and authorities enabling us in this behalf direct, that on every letter not exceeding half an ounce in weight, transmitted by British packet-boats between Lisbon or any other port in Portugal and Madeira, the Canary Isles, the Cape de Verde Isles, Brazil, Buenos Ayres, or Monte Video, or between the Cape de Verde Isles and the Canary Isles, Madeira, Brazil, Buenos Ayres, or Monte Video (without in any case passing through the United Kingdom), there shall be charged and paid in lieu of any rates of postage now payable thereon a rate of postage of one shilling.

And we further direct that on every letter transmitted, as is mentioned in this warrant, exceeding half an ounce in weight, there shall be charged and paid progressive and additional rates of postage as follows (that is to say):—

On every letter exceeding half an ounce in weight, and not exceeding one ounce in weight, two rates of postage.

On every letter exceeding one ounce, and not exceeding two ounces in weight, four rates of postage.

On every letter exceeding two ounces, and not exceeding three ounces in weight, six rates of postage.

And on every letter exceeding three ounces, and not exceeding four ounces in weight, eight rates of postage.

And for every ounce in weight above the weight of four ounces there shall be charged and taken two additional rates of postage, and every fraction of an ounce above the weight of four ounces shall be charged as one additional ounce, and each progressive and additional rate chargeable under this clause shall be estimated and charged at the sum which any such letter would be charged with under this warrant, if not exceeding half an ounce in weight.

And we further direct that nothing herein contained shall be deemed or construed to annul, prejudice, or affect any of the exemptions and privileges granted by the said recited Act, or by any other Acts of Parliament relating to the Post-office, or by any Treasury Warrant issued under any of such Acts, and that all such exemptions and privileges shall remain in full force.

And we further direct that the terms and expressions used in this warrant shall be construed to have the like meaning in all respects as they would have had if inserted in the said Act passed in the fourth year of the reign of Her present Majesty.

Provided lastly, and we hereby declare and direct, that it shall be lawful for the Commissioners of Her Majesty's Treasury, or any two of them, by warrant under their hands, at any time hereafter to alter, or repeal any of the rates hereby fixed, or the regulations hereby made, and to make and establish any new or other rates or regulations in lieu thereof.
