#### TREASURY WARRANT.

WHEREAS by an Act of Parliament passed in the fourth year of the reign of Her present Majesty, intituled "An Act for the regulation of the duties of postage" power is given to the Commissioners of Her Majesty's Treasury, from time to time, by Warrant under their hands, to alter and fix any of the rates of British postage, payable by law on the transmission by the post of foreign or colonial

letters or newspapers, or of any other printed papers, and to subject the same to rates of postage according to the weight thereof, and a scale of weight to be contained in such Warrant, and from time to time, by Warrant as aforesaid, to alter or repeal any such altered rates, and make and establish any new or other rates in lieu thereof, and from time to time, by Warrant as aforesaid, to appoint at what time the rates which may be payable, are to be paid, and it is provided that the power thereby given should extend to any increase or reduction or remission of postage.

And whereas further powers are given to the Commissioners of Her Majesty's Treasury by another Act of Parliament, passed in the eleventh year of the reign of Her present Majesty, intituled "An Act for giving further facilities for the transmission of letters by post, and for the regulating the duties of postage thereon, and for other purposes relating to the Post Office."

And whereas certain powers are also given to the Commissioners of Her Majesty's Treasury by another Act of Parliament, passed in the eighteenth year of the reign of Her present Majesty, intituled "An Act to amend the laws relating to the Stamp Duties on Newspapers, and to provide for the transmission by post of printed periodical publications."

And whereas it is expedient that the rates of postage now payable under a certain Warrant of the Commissioners of Her Majesty's Treasury, bearing date the 4th day of October, 1861, on certain letters, newspapers, and packets should be altered in the manner hereinafter mentioned:—

Now we, the Commissioners of Her Majesty's Treasury, in exercise of the powers vested in us, in and by the said recited Acts and every of them, and of all other powers enabling us in this behalf, do, by this Warrant, under the hands of two of us, the said Commissioners, by the authority of the statute in that case made and provided, order, direct, and declare as follows:—

1. On every letter not exceeding half an ounce in weight, posted in the United Kingdom addressed to the Republic of Venezuela or posted in the Republic of Venezuela addressed to the United Kingdom, and transmitted by the post between any part of the United Kingdom and any part of the Republic of Venezuela either direct or via the Island of St. Thomas (the sea conveyance between the United Kingdom, and the Republic of Venezuela or Island of St. Thomas, being by British packet boat), there shall be charged and taken an uniform rate of postage of one shilling.

2. On every letter not exceeding half an ounce in weight, posted in or addressed to any part of the Republic of Venezuela transmitted by the post between any port in the Republic of Venezuela, and any of Her Majesty's Colonies, or any foreign country through the United Kingdom (the sea conveyance between the Republic of Venezuela and the United Kingdom being direct or via the Island of Saint Thomas by British packet boat), there shall be charged and taken a British rate of postage of one shilling for such conveyance to or from any part of the United Kingdom, and for the conveyance of every such letter between the port in the United Kingdom of the departure or arrival of the packet boat or vessel (not being a packet boat) conveying the same, and the colony or foreign country to or from which the same shall be forwarded such a further or additional rate of postage as shall from time to time be charged and payable for British postage on letters not exceeding half an ounce in weight, posted or delivered at the port of the United Kingdom of the departure or arrival of the packet boat or vessel (not being a packet boat) conveying the same and transmitted direct between

such port, and any such colony or foreign country, provided that in all cases where such additional rate includes both inland and sea services there shall be deducted from the said rate of one shilling, the sum of one penny, in respect of the inland conveyance under this clause of every such letter sent through the United Kingdom.

3. On every letter not exceeding half an ounce in weight transmitted by British packet boat from any port in the Republic of Venezuela to any port on the Western Coast of South America, and conveyed via any port in New Granada, without passing through the United Kingdom, there shall be charged and taken an uniform rate of postage of one shilling and fourpence.

4. On every letter not exceeding half an ounce in weight, transmitted by British packet boat from any port in the Republic of Venezuela to any other foreign port (except any port in the United Kingdom or on the Western Coast of South America) without passing through the United Kingdom there shall be charged and taken a British rate of postage of fourpence.

5. All such respective letters so transmitted as hereinbefore in the first, second, third, and fourth Clauses of this Warrant mentioned, if exceeding half an ounce in weight shall be subject to the several further and additional and progressive rates of postage hereinafter mentioned (that is to say):—

On every such letter, if exceeding half an ounce in weight, and not exceeding one ounce in weight there shall be charged taken and paid two rates of postage;

And on every such letter, if exceeding one ounce and not exceeding one ounce and one-half of another ounce in weight three rates of postage;

And on every such letter if exceeding one ounce and one-half of another ounce, and not exceeding two ounces in weight four rates of postage;

And for every additional half of an ounce in weight of any such letter above the weight of two ounces there shall be charged, taken, and paid one additional rate of postage, and every fractional part of such additional half of an ounce in weight shall be charged as an additional half of an ounce in weight, and each progressive and additional rate chargeable under this clause shall be estimated and charged at the sum which any such letter would be charged with under this Warrant if not exceeding one-half of an ounce in weight.

6. Nothing herein contained shall be construed in anywise to annul prejudice or affect any of the exemptions and privileges granted by the said hereinbefore recited Acts or either of them, or by or under or any other Acts of Parliament relating to the Post Office, or any of the privileges which officers, seamen, and soldiers employed in Her Majesty's Service are, by law, entitled to, of sending and receiving by the post, letters not exceeding half an ounce in weight, subject to the regulations and restrictions in respect of the same.

7. On every printed British newspaper posted in the United Kingdom, addressed to the Republic of Venezuela, and on every printed newspaper posted in the Republic of Venezuela, addressed to the United Kingdom, transmitted by the post between the United Kingdom and the Republic of Venezuela direct or via the Island of St. Thomas, by British packet boat, there shall be charged, taken, and paid, in the United Kingdom, the rate of British postage hereinafter mentioned, that is to say, if not exceeding the weight of four ounces, a rate of one penny, and if exceeding that weight but not exceeding the weight of eight ounces, a rate of twopence, and for every additional four

ounces in weight of any such newspaper above the weight of eight ounces, an additional rate of one penny shall be charged, and any fractional part of such additional four ounces shall be charged as an additional four ounces in weight.

8. On every packet consisting of a printed newspaper, not exceeding four ounces in weight, transmitted by British packet boat from any port in the Republic of Venezuela to any port on the Western Coast of South America, and conveyed via any port in New Grenada without passing through the United Kingdom, there shall be charged and taken an uniform rate of postage of fourpence.

9. On every packet consisting of newspapers, books, publications, or works of literature or art whether British, colonial, or foreign, not exceeding four ounces in weight, transmitted by British packet boat from any port in the Republic of Venezuela to any other foreign port (except any port in the United Kingdom or on the Western Coast of South America) without passing through the United Kingdom, there shall be charged and taken an uniform rate of postage of one penny.

10. All such respective packets as hereinbefore in the 8th and 9th Clauses of this Warrant mentioned, if exceeding four ounces in weight, shall be subject to the several progressive and additional rates of postage hereinafter mentioned (that is to say):

On every such packet, if exceeding four ounces in weight and not exceeding eight ounces in weight, two rates of postage;

And on every such packet, if exceeding eight ounces and not exceeding one pound in weight, four rates of postage;

And on every such packet, if exceeding one pound and not exceeding one pound and the half of another pound in weight, six rates of postage;

And for every additional half of a pound in weight of any such packet above the weight of one pound and the half of another pound, there shall be charged, taken, and paid, two additional rates of postage, and every fractional part of such additional half of a pound in weight shall be charged as an additional half of a pound in weight; and each progressive and additional rate chargeable under this clause shall be estimated and charged at the sum which any such packet would be charged with under this Warrant if not exceeding four ounces in weight.

11. All packets consisting of books, publications, or works of literature or art, whether British, colonial, or foreign, posted in the United Kingdom, addressed to the Republic of Venezuela, or posted in the Republic of Venezuela, addressed to the United Kingdom, may be transmitted by the post between the United Kingdom and the Republic of Venezuela, direct or via the Island of St. Thomas (the sea conveyance between the United Kingdom and the Republic of Venezuela, or Island of St. Thomas, being by British packet boat), and all such respective packets shall be transmitted in conformity with and under and subject to the several regulations, orders, directions, and conditions hereinafter mentioned and contained relating thereto. And all such respective packets so transmitted and chargeable with postage under this clause shall be subject to the several progressive and additional rates of postage hereinafter mentioned (that is to say):

On every such packet, if not exceeding four ounces in weight, there shall be charged, taken, and paid for the transmission thereof respectively as aforesaid, the uniform single rate of postage of threepence;

And on every such packet exceeding four ounces in weight there shall be charged, taken, and paid progressive and additional rates of postage as follows (that is to say):

On every such packet, if exceeding four ounces in weight, and not exceeding eight ounces in weight, two rates of postage;

And on every such packet, if exceeding eight ounces and not exceeding one pound in weight, four rates of postage.

And on every such packet, if exceeding one pound and not exceeding one pound and the half of another pound in weight, six rates of postage;

And for every additional half of a pound in weight of any such packet above the weight of one pound and the half of another pound, there shall be charged, taken, and paid two additional rates of postage, and every fractional part of such additional half of a pound in weight, shall be charged as an additional half of a pound in weight, and each progressive and additional rate chargeable under this clause, shall be estimated and charged at the sum which any such packet would be charged with under this Warrant if not exceeding four ounces in weight.

12. Every packet which shall be transmitted by the post under the 7th, 8th, 9th, 10th, and 11th clauses of this Warrant shall be so transmitted in conformity with and under and subject to the several regulations, orders, directions, and conditions hereinafter contained (that is to say):

Every British newspaper which shall be posted in the United Kingdom, under the provisions of this Warrant, shall be printed and published at intervals not exceeding thirty-one days between any two consecutive numbers or parts of such publication, and the same shall be registered by the proprietor or printer thereof at the General Post Office in London, and shall be posted within fifteen days from the date of its publication, and the title and date of the newspaper shall be printed at the top of every page thereof.

There shall be no word or communication printed on any newspaper transmitted by the post under the provisions of this Warrant after the publication thereof, or upon any cover thereof, nor any writing or marks upon any such newspaper or upon any cover thereof other than and except the name and address of the person to whom the same is sent, but the name or title of such newspaper, and the name and address of the publisher, newsvendor, or agent by whom the same is sent, may be printed on the cover thereof.

There shall be no paper or thing enclosed in or with any such newspaper.

No packet, which in length or breadth or width shall exceed the dimensions of two feet, shall be forwarded by the post under the 7th, 8th, 9th, 10th, and 11th Clauses of this Warrant.

The terms "Books, Publications, or Works of Literature or Art" in this Warrant used, shall, for the purposes of this Warrant, mean and comprise all such articles as in their general character are either literary, or consist of printed, written, engraved, or lithographed matter (although not strictly literary) including books (whether printed, written, or plain), publications or compilations (whether in print or in manuscript), almanacks printed or lithographed, letters and such artistic productions as prints, maps, (whether on paper or canvas, or cloth, and whether printed or written), and photographs, when not on glass or in frames containing glass, and any des-

cription of paper, parchment, or vellum (whether printed, lithographed, written upon or plain, or any mixture of the four), together with any binding, mounting, or covering of or upon or belonging to any such article or production or any portion thereof, or of or belonging to any paper, parchment, or vellum, and including also any cases or rollers of prints or maps, book-markers (whether of paper or otherwise), pencils, pens, or other things usually appertaining to any such article or production, paper, parchment, or vellum, or necessary for its safe transmission, which shall be sent in the same packet with any such article or production to which they or it shall belong: Provided, nevertheless, that nothing herein contained shall extend to authorize the sending by the post, under the 9th, 10th, and 11th Clauses of this Warrant, of any patterns, or books of patterns, or papers of patterns of any article or thing whatsoever, unless such patterns consist merely of paper, nor of any packet consisting of or containing any photographs, drawings, prints, or other contents which may be obviously of an obscene character.

Every packet transmitted by the post under the 7th, 8th, 9th, 10th, and 11th Clauses of this Warrant shall be sent open at the ends or sides and either without a cover or in a cover or envelope open at the ends or sides.

No packet transmitted by the post under the 9th, 10th, and 11th Clauses of this Warrant shall contain any written letter either closed or open, nor any written communication in the nature of a letter either closed or open (whether such letter or communication be addressed to or intended for the person to whom the packet shall be directed, or any other person), nor any enclosure sealed or otherwise closed against inspection nor any other enclosure not authorized by this Warrant sent in or with any such packet, nor shall there be any written letter or written communication in the nature of a letter in or upon any such packet or on the cover or envelope thereof.

Every packet transmitted by the post under the 7th and 11th Clauses of this Warrant, and posted in the United Kingdom, shall be put into the Post Office at such hours in the day, and under all such regulations as the Postmaster-General may appoint.

Upon every packet transmitted by the post under the 7th and 11th Clauses of this Warrant, which shall be posted in the United Kingdom, the postage thereof shall be paid at the time of the same being posted.

13. All letters, notices, and other communications (whether upon paper, parchment, or vellum), partly printed or partly lithographed and partly written, which if wholly written would not be considered letters or communications in the nature of letters, shall and may be transmitted by the post under and subject to the several regulations, orders, directions, conditions, and rates respectively in the 9th, 10th, 11th, and 12th Clauses of this Warrant mentioned and contained.

14. Any letter, notice, or other communication (whether upon paper, parchment, or vellum), partly printed, or partly lithographed, and partly written, which if wholly written, would be considered a letter or a communication in the nature of a letter, shall not be entitled to the privilege of being transmitted by the post under or by virtue of the 9th, 10th, 11th, and 12th Clauses of this Warrant, or the regulations, orders, directions, conditions, and rates therein respectively contained.

And every such last-mentioned letter, notice, or other communication sent by the post shall be deemed and considered to be a letter or a communication in the nature of a letter within the intent and meaning of the 12th Clause of this Warrant.

15. If any question shall arise whether any such letter, notice, or other communication is entitled to the privilege of a printed paper, so far as respects the transmission thereof by the post, or of being sent by the post under or by virtue of the 9th, 10th, 11th, and 12th Clauses of this Warrant, the same shall be referred to the determination of the Postmaster-General, whose decision thereupon shall be final.

16. If any packet sent or tendered, or delivered in ordered to be sent by the post under the 7th, 8th, 9th, 10th, and 11th Clauses of this Warrant shall in length, or breadth, or width, exceed the dimensions of two feet, or if any such packet or the cover or envelope thereof shall not be open at the ends or sides, or if any such packet shall be sent otherwise than in conformity with the terms, conditions, and regulations hereinbefore in the 12th Clause of this Warrant contained, every such respective packet shall and may be detained and opened, and at the option of the Postmaster-General shall be either returned or given up to the sender thereof, and every such respective packet on being so returned or given up, shall, at the option of the Postmaster-General, be either free of postage, or be charged with any rate of postage he may think fit, not exceeding the postage to which it would have been liable as a letter.

17. If any packet sent or tendered or delivered in order to be sent by the post under the 11th Clause of this Warrant from the United Kingdom to the Republic of Venezuela (any such packet posted in London and sent from any department or office in or connected with the public service of Her Majesty which shall keep a postage account with the General Post Office in London, and the postage thereof being charged in such account only excepted), shall be posted in the United Kingdom without any postage paid thereon, or with a postage paid thereon less in amount than the rate of postage to which such packet is liable under and by virtue of the regulations hereinbefore contained, every such packet shall be detained and opened, and at the option of the Postmaster-General shall be dealt with and chargeable in like manner as is hereinbefore directed with respect to any packet not open at the ends or sides or exceeding in length or breadth or width the dimensions of two feet.

18. The postage of every letter transmitted by the post under the provisions of this Warrant and posted in the United Kingdom, shall be paid at the time of the same being posted, either in money or by the proper postage stamp or stamps being affixed thereto, which stamp or stamps shall in every case be affixed or appear on the outside of every such letter, near the address or direction, and shall be of the value or amount of the postage duty payable thereon under or by virtue of this Warrant, and if any such letter shall be not so prepaid, the same shall and may be detained and opened, and shall be returned or given up to the sender thereof.

19. The respective letters and packets transmitted by the post under the provisions of this Warrant shall be subject to the several orders, directions, regulations, and rates of postage respectively contained in a certain Warrant of the Commissioners of Her Majesty's Treasury under the hands of two of the said Commissioners, bearing date the 19th day of February, 1855, relating to re-directed rates of postage upon letters and

packets which shall be re-directed and again forwarded by the post.

20. The rates of postage chargeable on letters, newspapers, books, publications, or works of literature or art, and other printed papers transmitted by the post under the provisions of this Warrant shall be in lieu of the rates of British postage now chargeable thereon under or by virtue of a certain Warrant under the hands of the Commissioners of Her Majesty's Treasury, bearing date the 4th day of October, 1861, and the same together with the whole of such Warrant are hereby repealed, revoked, and annulled.

21. Nothing herein contained shall be construed to extend to any letters, newspapers, books, publications, or works of literature or art or other printed papers sent between the Republic of Venezuela and France, or sent otherwise than in closed mails between the Republic of Venezuela and any foreign country or British colony through France.

22. The several terms and expressions used in this Warrant shall be construed to have the like meaning in all respects as they would have had if inserted in the said Act, passed in the fourth year of the reign of Her present Majesty.

23. The Commissioners for the time being of Her Majesty's Treasury may by Warrant under their hands duly made at any time hereafter, alter, repeal, or revoke any of the rates of postage hereby fixed or altered, or any of the orders, directions, regulations, and conditions hereby made, and may make and establish any new or other rates, orders, directions, regulations and conditions in lieu thereof, and from time to time appoint at what time the rates which may be payable are to be paid.

24. This Warrant shall come into operation on the 1st day of April, 1864.
