## TREASURY WARRANT.

WHEREAS by an Act of Parliament passed in the session of Parliament holden in the third and fourth years of the reign of Her Majesty, cap. 96, for the regulation of the duties of postage, power is given to the Commissioners of Her Majesty's Treasury from time to time, by Warrant under their hands, to alter and fix any of the rates of British postage or inland postage payable by law on the transmission by the post of foreign or colonial letters or newspapers, or of any other printed papers, and to subject the same to rates of postage, according to the weight thereof, and a scale of weight to be contained in such Warrant; and from time to time, by Warrant as aforesaid, to alter or repeal any such altered rates, and make and establish any new or other rates in lieu thereof; and from time to time, by Warrant as aforesaid, to appoint at what time the rates which may be payable are to be paid. And it is provided that the power thereby given to alter and fix rates of postage should extend to any increase or reduction or remission of postage.

And whereas further powers are given to the Commissioners of Her Majesty's Treasury, by another Act of Parliament passed in the session of Parliament holden in the tenth and eleventh years of the reign of Her Majesty, cap. 85, for giving further facilities for the transmission of letters by post, and for the regulating the duties of postage thereon, and for other purposes relating to the Post Office.

And whereas the Commissioners of Her Majesty's Treasury, by a certain Warrant in writing under their hands, duly made, and bearing date the 1st day of September, in the year of our Lord 1840, did, amongst other things, direct that on all printed prices current and printed commercial lists, conveyed by packet boat or by any vessel, from any of Her Majesty's colonies, addressed to any place within the United Kingdom, there should be charged and taken a rate of postage of one penny each; and on all such printed prices current and commercial lists passing through the United Kingdom there should be charged and taken a rate of British postage of two pence each; and on all printed prices current and commercial lists sent from France or China to any place within the United Kingdom, there should be charged and taken a rate of British postage of one penny each; and on all printed prices current and commercial lists sent from any foreign country except France and China to the United Kingdom, or from any of Her Majesty's colonies through France to the United Kingdom, there should be charged and taken a rate of British postage of two pence each.

And whereas it is expedient to alter and repeal the said several rates of postage so chargeable on printed prices current and printed commercial lists by the said recited Warrant of the Commissioners of Her Majesty's Treasury, bearing date the said 1st day of September, in the year of our Lord 1840, as aforesaid, and in lieu thereof to make other rates in certain cases, and in certain other cases to remit such rates of postage, and for that purpose to repeal so much of the said Warrant bearing date the 1st day of September, 1840, as is hereinbefore recited, in manner hereinafter mentioned and contained.

Now we, the Commissioners of Her Majesty's Treasury, in exercise of the powers reserved to us in and by the said before recited Acts, or either of them, and of all other powers enabling us in this behalf, do, by this Warrant, under the hands of two of us, the said Commissioners, by the

authority of the Statute in that case made and provided, order and direct as follows :—

1. So much of the said hereinbefore mentioned Warrant of the Commissioners of Her Majesty's Treasury, bearing date the said 1st day of September, in the year of our Lord 1840, as is hereinbefore recited and set forth, and as fixes the said rates of postage hereinbefore respectively mentioned on the printed prices current and printed commercial lists therein and hereinbefore specified and described, shall be, and the same is hereby repealed, revoked and annulled, and the said several rates of postage thereby fixed and chargeable shall cease and determine.

2. On all printed prices current and printed commercial lists transmitted by the post and conveyed by packet boat, or private ship, from any of Her Majesty's colonies, or from any foreign countries to or through the United Kingdom, whether transmitted direct or through any other colony or foreign country, there shall be charged and payable the same or the like rates of postage as are charged and payable on printed newspapers transmitted by the post and conveyed in like manner from any such colony or foreign country to or through the United Kingdom. And in all cases where printed newspapers are so transmitted, and conveyed free of postage all printed prices current and printed commercial lists shall be so transmitted and conveyed in like manner free of postage.

3. The terms and expressions used in this Warrant shall be construed to have the like meaning, in all respects, as they would have had if inserted in the said recited Act passed in the Session of Parliament holden in the third and fourth years of the reign of Her Majesty.

4. The Commissioners for the time being of Her Majesty's Treasury may, at any time hereafter by Warrant duly made, alter, or repeal, or revoke any of the rates of postage hereby fixed or altered or remitted, or any of the regulations hereby made, and may make and establish any new or other rates of postage, or any regulations in lieu thereof; and, from time to time, may appoint at what time the rates of postage that may be payable are to be paid.

5. This Warrant shall come into operation on the second day of January, one thousand eight hundred and sixty-five.

Whitehall, Treasury Chambers, the twenty-seventh day of December, one thousand eight hundred and sixty-four.
